THE AMERICAN KENNEL CLUB
Board of Directors
November 8-9, 1999

The Board convened Monday, November 8, 1999, at 11:00 a.m. after the meetings of the various Board Committees. All Directors were present as were the President, Chief Operating Officer, and Secretary.

The Board reviewed the October 1999 minutes. Mr. Crowley reported that there was an error in the motion concerning the Progressive Dog Club. The reference to the Yorkshire Terrier Club of America should have read Yorkshire Terrier Club of Greater New York. Also, the report on the presentation of $15,000 each by the AKC and CAR was to the Wake County, NC SPCA. Upon motion made by Mrs. Welsh, and seconded by Mr. Marden, the minutes of the October 1999 meeting, copies of which were made available to all Directors, were adopted as amended (unanimously).

The Chairman, Mr. Merriam, reviewed the priorities the Board had set for 1999.

Mr. Merriam reviewed correspondence sent to him as Chairman.

There was a discussion of a Board retreat planned for January 2000.

Mr. Merriam reported on recent meetings he had with officials of The Kennel Club and with the President of the Moroccan Kennel Club.

The President, Mr. Cheauré, discussed a staff proposal on the use of DNA. Mr. Slay, staff, was present and participated in the discussion. Under the proposal effective for litters whelped on or after January 1, 2000, parentage verification will be used to underwrite the integrity of the registry in all DNA programs. Approval of Visiting Judges Policy

Visiting judges who do not trade or traffic in dogs may be eligible to judge at AKC events, any breed(s) for which they are approved by an AKC recognized registry as listed in AKC's Special Registry Services.

• Approval will be limited to six All-Breed shows per calendar year. There will be no limitation on Specialties or single-breed assignments.

• Visiting judges in good standing and currently approved by one of the AKC's Special Registry Services, regardless of residency, will be permitted to judge their approved breeds with that Registry at AKC events.

• Visiting judges residing in the United States but approved by one of the AKC's Special Registry Services will be limited to six All-Breed shows per calendar year. There will be no limitations on Specialties/single-breed assignments.

• Visiting judges, approved for a group in their country of registry, may not judge that group or Best in Show at AKC events if they lack approval for more than two breeds in that group, as constituted under AKC Rules.

• Visiting Judges are not eligible for approval to judge Miscellaneous Classes or Junior Showmanship Classes at AKC events.

• Negative field reports may result in denial of continued approval to judge AKC events, or the necessity to pass a procedural examination.

We invite visiting judges into our system.

Visiting judges who wish to judge more than six All-Breed shows per year may apply under the AKC's visiting judges approval process as follows:

• Individuals must have judged at AKC shows for over 8 years, have been an approved judge for 10 years in their own country, and have received a minimum of 12 positive reports from Field Staff.

• Visiting judges who have judged the breeds requested on the initial application at least six times in the United

States over the past three years will not be required to meet the match show judging and stewarding requirements or to judge provisional assignments.

• On the initial application, visiting judges:

_ may apply for up to 13 breeds, or no more than one half group, based on background and experience
_ must complete the necessary paperwork to be submitted to the Board and be published in the *AKC GAZETTE*
_ must take and pass breed standard tests
_ need to speak and read English OR arrange for an interpreter when judging at AKC events or taking breed standard tests

• Educational background and preparation in country of residence will be considered for the breeds requested.

• One year must elapse since date of original approval, and five assignments in the United States must be completed before being eligible to submit a second application, which will be processed under the current AKC system.

• Judges applying under this process must conform to the AKC's occupational eligibility and conflict of interest rules and guidelines.
