THE AMERICAN KENNEL CLUB
Board of Directors
July 9-10, 2001

The Board convened Monday, July 9, 2001, at 10:50 a.m. after the meetings of the various Board Committees. All Directors were present except Mr. Kelly. The Chief Operating Officer and Executive Secretary were also present.

The Board reviewed the May 2001 Board meeting minutes and the June 2001 special meeting minutes. Upon motion made by Mr. Goodman, and seconded by Dr. Battaglia, the minutes of the May 2001 and the June 2001 meetings, copies of which were made available to all Directors, were adopted (unanimously; absent, Mr. Kelly).

The Chairman, Mr. Merriam, reviewed correspondence referred to him as Chairman. Included were numerous communications concerning commercial breeders in response to the June Chairman's Report. The correspondence was referred to the appropriate Board Committees or staff for follow-up.

There was a review of the Board's 2001 Priorities.

The Board considered a recommendation from Dr. Garvin that AKC undertake a survey of the literature on scientific developments in the field of reproductive biology to help identify the issues that AKC will be facing as they become relevant to purebred dogs. Staff was directed to study the proposal and to report back to the Board on the feasibility of such a survey, the scope, timeframe, cost, etc.

The Board discussed its August 6—7 Retreat, which is to be held in New Jersey.

The Board reviewed a proposed paper, prepared by Dr. Garvin, on the subject of the Size and Scope of the Delegate Body. Following a motion by Dr. Garvin, seconded by Mr. Menaker, it was **VOTED** (unanimously; absent, Mr. Kelly) to send the paper from the Board to the Delegate Bylaws and Strategic Planning Committees and a copy to Delegates.

The President, Mr. Cheauré, gave a mid-year financial review.

While revenue is below budget in most areas, management has also kept costs well under budget through regular operational and expense reviews for each division. The result has been a year-to-date net surplus over budget.

There was a review of AKC's video program. For any new breed videos, the Board will be requested to approve a supplemental budget prior to production. For non-breed videos, the department requesting the video must develop a business plan to include the purpose, audience, estimated revenue and cost (based on at least two quotes) and any intangible benefits to be considered. The request will be reviewed by the Management Executive Committee and, if approved, forwarded to the Board with a supplemental budget request for approval. The Public Relations and Public Affairs Committee was directed to study the non-breed video program further and the Events and Clubs Committee to study the breed video program.

Mr. Cheauré reviewed registration value added trials that were in various stages of execution. They included coupons and stainless steel dog tags that would be sent with the individual registration of a dog.

Mr. Cheauré gave updates on the AKC store, the web site directory, the Registered Handler Program and Registration Reengineering.

There was an Executive Session to discuss personnel matters, with nothing reported out of this session.

Mr. Murphy, Chief Financial Officer, gave a financial update. The Financial Report for June 2001 showed an excess of revenue over expenses of $223,000.

The individual registration figures for June 2001 are 93,058, versus 101,677 for June 2000.

The litter registration figures for June 2001 are 43,648 versus 50,385 for June 2000.

Mrs. Strand gave the report for the Public Relations and Public Affairs Committee. The committee discussed AKC public relations and communications activities over the past month, the $60,000 in veterinary scholarships awarded, the CGC certificate rollout, the Child Safety video, the dog training outreach survey, and AKC's support of opposition to breed-specific anti-dog legislation in Germany. A list of the latter efforts is available from AKC's Public Education and Legislation Department.

The Executive Secretary, Mr. Crowley, presented a draft of a survey concerning Delegate meetings. Following a motion by Mr. Gladstone, seconded by Dr. Garvin, it was **VOTED** (unanimously; absent, Mr. Kelly) to send the draft to the Delegate Strategic Planning Committee, asking for input on whether such a survey was necessary and if so, to comment on the draft.

The Board considered the request made by Mrs. Anne Rappaport, Delegate for the Puyallup Valley Dog Fanciers, at the June Delegates meeting, that a moratorium be placed on new clubs and new member clubs until the Delegate Committees completed their review on the size and structure of the Delegate body. Mr. Crowley pointed out that such a moratorium would be contrary to the Bylaws. Following a motion by Dr. Battaglia, seconded by Dr. Mays, it was **VOTED** (unanimously; absent, Mr. Kelly) to respond to Mrs. Rappaport that there would be no such moratorium.

Mr. Slay, staff, participated in the portion of the meeting dealing with disciplinary actions.

The Board **VOTED** to deny a request for reconsideration of the term

of suspension submitted by Joseph Kuklenski (Green Bay, WI). He was suspended for ten years, effective February 12, 1997, and fined $500 for registering a male Beagle, whelped in Canada, as a member of a different litter. As this dog subsequently sired several litters, it was necessary to cancel these litters.

The Board **VOTED** to deny a request for reconsideration submitted by Sharin Graves (Granite Bay, CA). She was suspended for two years, effective April 10, 2000, and fined $2,000 for the exhibition of a dog with bands on its teeth.

The Board **VOTED** to deny a request for reconsideration of the term of suspension submitted by Shanti Torre (Tres Piedras, NM). She was suspended for ten years, effective December 13, 1999, for false certification that affects the stud book.

The Board **VOTED** to reinstate the registration privileges only of Mary Nelson (Swanville, MN). She was suspended for five years, effective October 11, 1999, and fined $1,000 for altering the official hunt test catalog and judges scoring book at an August 28, 1999, hunt test. The reinstatement takes effect July 9, 2001. (Ms. Nelson's event privileges remain suspended.)

There was a report on the actions taken by the AKC staff during the month of June 2001 on the cancellation of litters and individual registrations.

During the month of June, the registrations of 10 litters were cancelled: 4 because of impure breeding, and 6 as a result of the Compliance Audit Program - DNA.

The cancellation of the 10 litters resulted in the cancellation of 15 registered dogs and rendered 51 dogs, members of these litters, ineligible for registration.

The following actions taken by the AKC Management Disciplinary Committee were reported:

(Final Board disciplinary actions are reported in the Secretary's Page.)

The Board considered a revision to its policy on auctions to include a position on the purchase of dogs at auction by Parent Club rescue groups. Following a motion by Dr. Smith, seconded by Mr. Gladstone, it was **VOTED** (unanimously; absent, Mr. Kelly) to bring the matter back for a vote in August.

Part of the policy on auctions requires permanent identification by tattoo or microchip. There was a motion by Dr. Battaglia to remmove tattoos as an acceptable identification for dogs sold at auction. This motion was ruled out of order by the Chairman because there was no prior notification.

Mr. Menaker gave the report for the Business Committee. The committee was considering a number of fees including the recording fee, superintendent fees and a possible judges fee.

Following a motion by Mr. Marden, seconded by Ms. Scully, it was **VOTED** (affirmative, Mr. Marden, Ms. Scully, Dr. Mays, Mrs. Strand, Dr. Davies, Mr. Menaker; opposed, Mr. Merriam, Dr. Garvin, Mr. Goodman, Dr. Smith, Dr. Battaglia; abstaining, Mr. Gladstone; absent, Mr. Kelly) to consider a proposed multiple-year donation to the Bird Dog Foundation, waiving the prior notification requirement.

Following a motion by Mr. Marden, seconded by Ms. Scully, it was **VOTED** (unanimously; absent, Mr. Kelly) to donate $1,000 in 2001 and in each of the next four years to the Bird Dog Foundation.

Following a motion by Mr. Menaker, seconded by Mr. Gladstone, it was **VOTED** (unanimously; absent, Mr. Kelly) to charge CAR $250,000 annually for the use of the AKC name and logo. This arrangement had been agreed to by the CAR Board.

Dr. Smith, Dr. Davies and Dr. Garvin, members of the Appeals Committee, left the meeting prior to the report on Judges Applications.

Mr. Hayes, staff, was present via video conference for the discussion on Judges Applications. Upon motion made and seconded, it was **VOTED**:

(Final Board approval of Judging Applications are published in the Secretary's Page.)

Meeting adjourned at 6:00 p.m., Monday, July 9, 2001.

Meeting reconvened Tuesday, July 10, 2001 at 8:00 a.m. All Directors were present except Mr. Kelly and Mrs. Strand. The Chief Operating Officer and Executive Secretary were also present.

Mr. Goodman gave the Events and Clubs Committee Report on fines assessed clubs for late submission of date applications and judges panels.

It was moved by Mr. Goodman, seconded by Dr. Smith and **VOTED** (unanimously; absent, Mr. Kelly and Mrs. Strand) to approve the Delegate credentials of the following persons, whose credentials have been published in two consecutive issues of the *AKC GAZETTE*:

Kelly, Mrs. Strand) to approve the membership application of the American Foxhound Club. The application will be presented for a vote at the September 2001, Delegates Meeting.

There was a discussion on the Handler Advisory Committee previously established by the Board. The present members are Jane Flowers, Scott Sommer, William Bergum, and Ellen MacNeille Charles. Following a motion by Mr. Goodman, seconded by Dr. Smith, it was **VOTED** (unanimously; absent, Mr. Kelly, Mrs. Strand) to add Jane Forsyth, Corky Vroom and Woody Wornall to the committee. Committee members are appointed by the Board for two-year terms with no limit on the number of terms that may be served.

The Board considered a staff recommendation for an AKC position statement and a policy governing the use of special training collars on the grounds of AKC events. There was a motion by Ms. Scully, seconded by Mr. Goodman, to adopt the following policy:

Proposed Policy

Special Training devices that are used to control and train dogs, including but not limited to, collars with prongs, electronic collars used with transmitters, harnesses, muzzles and head collars may not be used on dogs at AKC events, except as allowed in the AKC Rules, Regulations, and policies.

Following a motion by Dr. Smith, seconded by Mr. Gladstone, it was **VOTED** (unanimously; absent, Mr. Kelly, Mrs. Strand) to delete the harnesses from the proposed policy.

The main motion was then adopted with the **VOTE** (affirmative, Ms. Scully, Dr. Smith, Dr. Davies, Mr. Merriam, Mr. Goodman, Mr. Gladstone, Dr. Garvin, Mr. Marden, Mr. Menaker; opposed, Dr. Mays, Dr. Battaglia; absent, Mr. Kelly, Mrs. Strand).

Following a motion by Ms. Scully, seconded by Mr. Goodman, it was **VOTED** (unanimously; absent, Mr. Kelly, Mrs. Strand) to adopt the following Position Statement:

Position Statement

The American Kennel Club recognizes that special training collars may be an effective and useful management device, when properly used, for controlling dogs that might be extremely active, difficult to control on a neck collar, or dog aggressive. These collars are also recognized as possibly useful for gaining control at the start of basic obedience training, essential education that dogs deserve and need.

There is a point at which owners should have sufficient control of their dogs to manage them on regular neck collars, without the use of special training collars. This is the point at which dogs are acceptable on the grounds of AKC competitive events and will have the opportunity to participate in those events.

There was a motion by Mr. Marden, seconded by Ms. Scully, and it was **VOTED** (affirmative, Ms. Scully, Mr. Marden, Mr. Menaker, Mr. Gladstone, Dr. Smith, Dr. Mays, Mr. Goodman, Dr. Garvin; opposed, Dr. Battaglia, Dr. Davies, Mr. Merriam; absent, Mr. Kelly, Mrs. Strand) to consider a request from the International Kennel Club of Chicago at this meeting, waiving the prior notice requirement. In 2004, the show site utilized by International for a back-to-back show in a cluster with the Park Shore Kennel Club and Blackhawk Kennel Club will not be available. December 18—21, 2003, is an extra show weekend in 2003 when there are no shows with corresponding dates. For 2003 only, the request was for a cluster being held on this weekend which would result in the three clubs holding more than two shows in 2003, less than two shows in 2004, with all clubs back on their regular dates in 2005.

Following a motion by Mr. Menaker, seconded by Mr. Gladstone, it was **VOTED** (unanimously; absent, Mr. Kelly, Mrs. Strand) to approve the above request.

The Events and Clubs Committee had discussed the Championship Point Schedule, the Breed Standard Revision Procedures, clusters, and the Event Mileage Conflict policy.

Dr. Battaglia gave a report from the Operations and Planning Committee. The committee discussed revisions to penalties and fines associated with the DNA Compliance Audit Program, a request from the American Working Dog Federation, and the single-registrant concept.

There was a discussion on the monthly Field Representative conference call to discuss judging applicants. There was a motion by Mr. Gladstone, seconded by Dr. Mays, to tape the conference so that Board members would have access to it before they voted on those applicants.

There was a motion by Dr. Davies, seconded by Dr. Smith, and it was **VOTED** (affirmative, Ms. Scully, Dr. Davies, Dr. Smith, Mr. Goodman, Mr. Merriam, Mr. Menaker; opposed, Mr. Gladstone, Dr. Garvin, Dr. Mays, Dr. Battaglia, Mr. Marden; absent, Mr. Kelly, Mrs. Strand) to table the above motion.

The Board recessed to go into a workshop session to discuss succession planning.

Upon return to regular session, it was reported that at the workshop, the Board discussed succession planning, the American Dog Classic, the elimination of the self-imposed limit on judging approval for Board members, and revenue enhancements.

There being no further business to come before the meeting, and upon motion made and seconded, it was **VOTED**: To adjourn at 2:30 p.m., Tuesday, July 10, 2001.
