REGISTERED HANDLERS

Letters concerning registered handers and handler applicants should be addressed to the Handlers Department at 5580 Centerview Drive, Raleigh, NC 27606.

The American Kennel Club will at the request of a registered handler applicant, provide that individual with copies of letters received regarding their handling qualifications. As a result, it should be understood that any such correspondence will be made available upon request, to the registered handler or handler applicant.

It is the responsibility of all registered handlers to notify the Handlers Department of any changes or corrections to their address, phone, fax or

emails. These changes are very important because they affect your handlers record, the Web site and the Handlers Directory. Please notify the Handlers Department at (919) 816 - 3884 or E-mail handlers@akc.org

THE AMERICAN KENNEL CLUB
Board of Directors
May 9 - 10, 2005

The Board convened on Monday, May 9, 2005, at 11:20 a.m. All Directors were present, except Mr. Marden, as were the Chief Operating Officer and Executive Secretary.

The Board reviewed the April 2005 minutes. Upon motion by Dr. Battaglia, seconded by Ms. Scully, the minutes of the April 2005 meeting, copies of which were made available to all Directors, were adopted (unanimously; absent: Mr. Marden).

Chairman's Report

The Chairman, Mr. Menaker, reported that effective with the July Board Meeting, there will no longer be **Board Committees**, but the Board will rather act as a Committee of the whole. Current Committee Chairs will act as discussion leaders and present items currently being considered to the full Board. The intent is to eliminate duplication of effort in having matters first considered by the committee and then by the full Board. However, the Audit, Pension, Compensation, and Review Committees would remain in place. Mr. Menaker reported that he has appointed a committee to plan for the publication of a book to commemorate AKC's 125th anniversary. The initial committee will be chaired by David Merriam with James Crowley and himself as members.

There was an Executive Session to discuss legal matters. Mr. Swick, AKC staff, was present for that session.

President's Report

Following return to regular session, there was a discussion on a recent Trial Board decision where charges brought by AKC were not sustained. It involved an individual who judged Retriever Field Trials and participated in Field Trials as an amateur, while AKC believed he was, in fact, a professional.

The President, Mr. Sprung, reported on the status of matters previously referred to staff by the Board.

There was a discussion on the liability insurance provided to AKC judges. While wishing to continue this coverage, staff was directed to investigate ways to reduce the cost, e.g., a higher deductible or self-insurance with a reserve to cover it.

Financial Report

Mr. Stevens, Chief Financial Officer, gave a financial update.

Revenues for the month of April 2005 totaled $5.4 million, which was 10.4% lower than last year. Total registration revenues of $3.1 million decreased 11% during the month compared to 2004. Total expenses of $5.2 million were 2.5% higher than the prior year. A difficult stock market environment during the month led to unrealized losses on investments.

The net deficit for the month of April 2005 was $226,000 compared to a $703,000 net surplus last year.

Dog registrations totaled 83,365 in April. This represented a decrease of 11.2% from 2004. April's litter registrations were 33,862 or 7.7% below last year.

For the first four months of 2005, the year-to-date net surplus (which includes unrealized losses on investments) stands at $1.8 million compared to $3.7 million in 2004.

Resolution: Pat Krause

Following a motion by Ms. Scully, seconded by Mr. Menaker, it was **VOTED** (unanimously; absent: Mr. Marden) to adopt the following resolution:

AT A MEETING OF THE BOARD OF DIRECTORS OF THE AMERICAN KENNEL CLUB

Held on April eleventh, two thousand and five, the following Resolution was unanimously adopted:

WHEREAS, Patricia Krause joined the staff of The American Kennel Club on July third, nineteen hundred and ninety-nine, serving until April twenty-ninth, two thousand and five; and,

WHEREAS, she served as Director of Obedience until May eighteenth, two thousand; and,

WHEREAS, on May eighteenth, two thousand, she was made Assistant Vice President for Companion Events, which encompassed Obedience, Agility, Tracking, and Canine Good Citizen; and,

WHEREAS, she brought a wealth of experience to the job, having competed in both breed and Obedience for many years and having been approved as an Obedience judge in nineteen eighty one; and,

WHEREAS, under her stewardship, AKC Companion Events have thrived with National Championships in Obedience, Agility, and Tracking, with AKC sponsored teams competing internationally; and,

WHEREAS, her efforts led to the introduction of AKC Rally competition in January, two thousand and five; and,

WHEREAS, her knowledge of Companion Events, experience in the field, and the respect she has earned among those in the sport has proven to be invaluable assets to the Board as it addressed issues related to the Companion Event area; and

WHEREAS, we are ever mindful of the great contributions she has made to The American Kennel Club and the Sport of Purebred Dogs; and,

WHEREAS, we will miss her expertise and sound advice in these areas; and,

WHEREAS, we will ever cherish our association with this distinguished sportswoman, administrator, and friend,

NOW THEREFORE, be it

RESOLVED, that the Directors of The American Kennel Club extend to her their best wishes for the years ahead and their deep appreciation for her years of dedicated service to The American Kennel Club.

Appeal to Cancellation of Awards

The Executive Secretary, Mr. Crowley, responded to a question on the cancellation of an award as the result of an entry made under an invalid Japanese registration number.

The only foreign registration numbers that may be used to enter a Japanese import in AKC events are numbers issued by the Japanese Kennel Club, while the number used on the entry in question was issued by NIPPO. The owner of the dog wished to appeal to the Board. The consensus was that the Board should not consider appeals from individuals to reinstate awards cancelled under the rules.

Misconduct

The Board discussed a number of revisions to the Guidelines for Dealing with Misconduct, submitted by the Delegate Field Trial Committee. It was noted that their changes were made to a prior addition of the publication. Previously, the AKC legal staff had made a number of changes approved by the Board. Staff was directed to compare the Delegate Committee's changes to the ones previously made by the legal department, to determine the differences and to report back to the Board.

Compliance

Tom Sharp, AKC staff, participated in this portion of the meeting by video conference.

Management Actions

The following actions taken by the AKC Management were reported:(**Final Board Disciplinary actions are reported in the Secretary's Page**).

Breeders Committee

Mr. Goodman gave the report of the Breeders Committee. Ronald Rella, staff, was present for the report. The committee reviewed all services AKC now offers to breeders. These are to be coordinated by Mr. Rella.

The Board discussed the concept of a program to recognize Breeders who met specific criteria. Staff is to take a survey to try to determine what types of incentives would encourage breeders to join such a program.

Events and Clubs Committee

Dr. Davies gave the Events and Clubs Committee report on fines assessed clubs for late submission of date applications and judges panels.

It was moved by Dr. Davies, seconded by Ms. Scully, and **VOTED** (unanimously; absent: Mr. Marden) to approve the Delegate credentials of the following persons, whose credentials have been published in two consecutive issues of the *AKC GAZETTE*:

James Channon, Warsaw, VA, to represent Spinone Club of America

Patte Klecan, Albuquerque, NM, to represent American Bouvier des Flandres Club, Inc.

Ferdinand Reinlieb, Enterprise, FL, to represent West Volusia Kennel Club

Dr. Davies reported that the Delegate credentials of the following persons are to be published in the May and June issues of the *AKC GAZETTE*:

Mildred L. Dold, Goddard, KS, to represent Wichita Kennel Club, Inc.

Karen Stout, Converse, IN, to represent American Brittany Club, Inc.

Marilyn Traurig, West Orange, NJ, to represent First Dog Training Club of Northern New Jersey, Inc.

John R. Unbehaun, West Salem, WI, to represent Blackhawk Retriever Club, Inc.

Dr. Davies reported that the Delegate credentials of the following persons are to be published in the June and July issues of the *AKC GAZETTE*:

Christine M. Allen, Merion Station, PA, to represent Philadelphia Dog Training Club, Inc.

Phyllis J. Andreasen, Pennington, NJ, to represent American Manchester Terrier Club

Judy Forbes, Urbandale, IA, to represent the Central Iowa Kennel Club, Inc.

Joyce C. Wilson, Toledo, OH, to represent Toledo Kennel Club, Inc.

Visiting Judges

Currently, visiting judges are limited to six all-breed assignments in a year. Further, visiting judges, approved for a Group in their country of registry, may not judge that Group or Best in Show at AKC events if they lack approval for more than two breeds in that Group, as constituted under AKC rules. As a result of AKC adding breeds to its Variety Groups, many visiting judges, previously eligible to judge a Group, may no longer do so. The Board discussed the concept of providing reciprocity on the approval of Group and Best in Show for countries that approved AKC judges based upon their AKC status. This will be discussed further in July.

American Rottweiler Club Request

The Board considered a request from the **American Rottweiler Club** for a **waiver to the five-year moratorium** on breed standard changes, to modify one portion of the standard only.

Following discussion, there was a motion by Mr. Merriam, seconded by Dr. Davies, and it was **VOTED** (affirmative: Mr. Merriam, Dr. Davies, Mrs. Schaefer, Dr. Battaglia, Mr. Gladstone, Dr. Mays, Ms. Scully; opposed: Dr. Haines, Mr. Menaker, Dr. Garvin; abstaining: Mrs. Strand, Mr. Goodman; absent: Mr. Marden) to deny this request, as the club would currently be in a position to submit such a change without a waiver.

There was a discussion on a proposal by the Senior Conformation Judges' Association to permit Group judges to forgo a part of their usual fee for clubs that hired Provisional judges. The list of judges wishing to participate in their program would be coordinated by SCJA. A previous Board had determined that this would constitute promotion or solicitation which is prohibited under AKC policy and no action was taken by the Board to change that position. Mr. Gladstone indicated that he would like the Board to consider the policy on Promotion and Solicitation.

Retriever Hunting Test Judging Eligibility

The Board considered a request from the Retriever Test Advisory Subcommittee to revise the judges' eligibility requirements for Retriever Hunting Tests. The changes are intended to give clubs more flexibility by eliminating the mandatory three-year seminar attendance for more experienced judges, while maintaining a high standard for judges of these events.

Following a motion by Ms. Scully, seconded by Dr. Davies, it was **VOTED** (affirmative: Mrs. Strand, Ms. Scully, Dr. Mays, Dr. Battaglia, Mr. Merriam, Mr. Menaker, Mr. Goodman, Dr. Davies, Dr. Garvin; opposed: Mrs. Schaefer, Dr. Haines, Mr. Gladstone;

absent: Mr. Marden) to delete Chapter 1, Section 6 of the Regulations for AKC Hunting Tests for Retrievers and to substitute the following, **effective September 1, 2005**:

REVISIONS TO REGULATIONS AND GUIDELINES FOR AKC HUNTING TESTS FOR RETRIEVERS CHAPTER 1, SECTION 6. JUDGES' ELIGIBILITY

CHAPTER 1

Section 6. Judges' Eligibility. Anyone at least 21 years of age and in good standing with the American Kennel Club may be approved to judge a Hunting Test subject to the qualification requirements in force at the time.

To be approved to judge, individuals must have successfully attended the Seminar for Judges and Handlers of Retriever Hunting Tests (the "Seminar"), and have successfully apprenticed at the level being judged or higher.

For continued eligibility, judges must successfully attend a second Seminar, after having obtained at least three judging points at any level, within a three-year period.

Judges who have either acquired 6 or more points at the Master level of judging or who have attended two or more Seminars are exempt from any further Seminar attendance. However, continued eligibility to judge will be based on the satisfactory completion of a written, self-administered examination every four years, prepared and monitored by the AKC. Individuals must judge at least once within four years to maintain eligibility to be approved to judge.

Individuals having no history of judging assignments within the four-year period of the mandatory written examination will be required to attend the Seminar prior to continued eligibility being approved.

The combined number of points required for the two Judges in any division or level shall be six (6) at that level or higher.

Judges accumulate points for each level judged at the completion of an assignment.

Note* It is strongly recommended that only those judges with an extensive background in the hunting of waterfowl and/or upland game be invited to judge an AKC Retriever Hunting Test.

A score of 95% or better is required for the self-administered test.

Master National Retriever Club Request

The Board considered a request from the National Master Retriever Club to enable it **to run future events with more than the previously approved two divisions** as provided in Chapter 6 of the Regulations for AKC Hunting Tests for Retrievers. AKC Management was not in favor of this change, preferring instead that the qualification for entry be made more restrictive to both raise the quality and reduce the number of entrants. AKC Management also saw a need to address the inequity in the judging of the present two divisions. Following a motion by Mrs. Strand, seconded by Ms. Scully, it was VOTED (affirmative: Mrs. Strand, Ms. Scully, Mr. Merriam, Mr. Goodman, Mr. Menaker, Dr. Battaglia, Dr. Mays, Dr. Garvin, Mr. Gladstone, Dr. Haines, Dr. Davies; abstaining: Mrs. Schaefer; absent: Mr. Marden) to deny this request.

Retriever Field Trial Advisory Committee

The Board considered three proposals to amend the Standard Procedure for Non-Slip Retriever Trials. They:

- Clarify the uses of holding blinds in the field during marking tests
- Clarify the use of "dry guns" in marking tests
- Clarify the use of leads and collars for derby dogs

Following a motion by Mrs. Strand, seconded by Dr. Battaglia, it was **VOTED** (unanimously; absent Mr. Marden) to adopt the following amendments to the Standard Procedure for Non-Slip Retriever Trials, effective September 1, 2005:

REVISIONS TO STANDARD PROCEDURE FOR NON-SLIP RETRIEVER TRIALS PARAGRAPH 8 PROCEDURE 8

8. On marked retrieves, a dog should be able to see each bird in the air and as it falls, and the Guns should be so stationed as to be conspicuous to and easily identified by the dog. **No dry guns should be stationed in the field and visible to the dog while a marking test is run, or while the marking portion of a combination mark / blind test is run.** Guns may be requested to shoot twice at every bird. After birds have been shot, all Guns shall remain quiet and only move their positions in accordance with specific instructions by Judges. Judges may instruct Guns and their associated bird thrower to retire from the sight of the dog or dogs on line provided that such instructions should provide all reasonable assurance that the movement of the Guns and thrower will not distract the running dog from viewing the marks thrown and to be thrown as part of the test, or divert the running dog from proceeding to the first bird for which the dog is sent. Retired guns and throwers should be concealed by a blind with adequate natural camouflage or by adequate natural cover as close as possible to the place from which the mark was thrown or shot and so located as to minimize the development of a trail that will lead the running dog away from the area of the fall. In no circumstances should the judges have the guns move to another position to mislead the dogs in their marking. No blinds should be placed in the field in a marking test except in accordance with the provisions set forth in this paragraph or for the purpose of protecting the running dogs from injury by unseen hazards.

REVISIONS TO STANDARD PROCEDURE FOR NON-SLIP RETRIEVER TRIALS PARAGRAPH 6 (C)

PROCEDURE 6

(c) In Derby Stakes, solely at the handler's option, dogs may be brought to the line and taken from the line on leash or off leash, the leash and collar being removed from the time of arrival on line until departure.

Spaniel Amateur Field Championship

There was a motion by Mr. Goodman, seconded by Ms. Scully, to approve an amendment to Field Trial Rules for Spaniels to create an Amateur Field Championship for

Cocker Spaniels and English Cocker Spaniels, which is to be read at the June, 2005 Delegates meeting for a **VOTE** in September, 2005, with an effective date of January 1, 2006:

REVISIONS TO FIELD TRIAL RULES AND STANDARD PROCEDURES FOR SPANIELS CHAPTER 14, RULES FOR SPANIEL TRIALS, SECTION 14
Chapter 14

Section 14. Only one Open All-Age Stake may be run at any trial. When an Open All-Age Stake is referred to, it shall be understood to mean either an Open All-Age or a Qualified Open All-Age Stake.

An Amateur All-Age Stake, when offered for English Springer Spaniels, or English Cocker Spaniels and Cocker Spaniels will be a championship stake.

REVISIONS TO FIELD TRIAL RULES AND STANDARD PROCEDURES FOR SPANIELS CHAPTER 14, RULES FOR SPANIEL TRIALS, SECTION 32
Chapter 14

Section 32. The number of wins and placements required of an English Springer Spaniel, English Cocker Spaniel or Cocker Spaniel in Amateur All-Age Stakes in order to become an Amateur Field Champion, and the number of starters necessary in each Amateur All-Age Stake, shall be fixed and determined by the Board of Directors of The American Kennel Club. No English Springer Spaniel, English Cocker Spaniel or Cocker Spaniel shall be recorded an Amateur Field Champion unless it has been registered in the American Kennel Club Stud Book.

REVISIONS TO FIELD TRIAL RULES AND STANDARD PROCEDURES FOR SPANIELS CHAPTER 14, RULES FOR SPANIEL TRIALS, NEW SECTION 25
CHAPTER 14

Section 25. A National Amateur Championship Stake for English Cocker Spaniels and Cocker Spaniels shall be for dogs over six months of age, which by reason of wins previously made qualify under special regulations adopted by the Board of Directors of The American Kennel Club. This stake shall be run not more than once in any calendar year by the Parent Association of the breed or by a Club or Association formed for this purpose and duly licensed by The American Kennel Club, under procedures approved by The American Kennel Club. The winner of such stake shall become an Amateur Field Champion of Record and shall be entitled to be designated "National Amateur English Cocker or Cocker Spaniel Field Champion of 20."

There was a motion by Dr. Haines, seconded by Dr. Garvin, and it was **VOTED** (affirmative: Dr. Haines, Dr. Garvin, Mr. Gladstone, Ms. Scully, Mr. Menaker, Mr. Goodman, Dr. Battaglia, Mrs. Schaefer, Dr. Davies; opposed: Mr. Merriam, Mrs. Strand; abstaining: Dr. Mays; absent: Mr. Marden) to amend the proposed revision by deleting the phrase "...shall become an Amateur Field Champion of Record and ..." from Section 25, so that it will read:

REVISIONS TO FIELD TRIAL RULES AND STANDARD PROCEDURES FOR SPANIELS CHAPTER 14, RULES FOR SPANIEL TRIALS, NEW SECTION 25
CHAPTER 14

Section 25. A National Amateur Championship Stake for English Cocker Spaniels and Cocker Spaniels shall be for dogs over six months of age, which by reason of wins previously made qualify under special regulations adopted by the Board of Directors of The American Kennel Club. This stake shall be run not more than once in any calendar year by the Parent Association of the breed or by a Club or Association formed for this purpose and duly licensed by The American Kennel Club, under procedures approved by The American Kennel Club. The winner of such stake shall be entitled to be designated "National Amateur English Cocker or Cocker Spaniel Field Champion of 20."

The main motion, as amended, was then **VOTED** (unanimously; absent Mr. Marden).

Black Russian Terrier Jump Heights

Following a motion by Ms. Scully, seconded by Dr. Davies, and it was **VOTED** (unanimously; absent: Mr. Marden) to add Black Russian Terriers to the list of breeds required to jump three-quarters of the height of the dog at the withers in Chapter 4, Section 4 of the Obedience Regulations, effective July 1, 2005.

Rally Judging Limits

There was a Board discussion on two proposed amendments to Rally Regulations. One would reduce the number of dogs an hour a judge may do, to 22 from the current 30. The 30-limit has resulted in events running late into the evening. The second proposal would clarify the scoring of faults. This will be considered for a **VOTE** in July.

Business Committee

Mr. Merriam gave the report of the Business Committee.

There was a discussion on operational **requirements for the commercial filming or electronic transmission of events**. Following a motion by Mr. Merriam, seconded by Mr. Menaker it was **VOTED** (unanimously, absent: Mr. Marden) to direct staff to prepare an operational requirement memorandum pursuant to the previously adopted policy on televising events. This memorandum will be provided to the Board.

In July, there will be a discussion on how AKC should work with clubs that already have contracts for filming events. The committee will also discuss the concept of a show dog ranking system. Staff input is being sought on this subject.

Operations and Planning

Dr. Battaglia gave the report of the Operations and Planning Committee.

Bosnia-Herzegovina Registry

Following a motion by Dr. Battaglia, seconded by Mrs. Strand, it was **VOTED** (unanimously; absent: Mr. Marden) to place the Unija Kinolokih Saveza Bosne-Hercegovine (UKSBH) on the list of foreign registries with pedigrees acceptable for AKC registration. This is the national registry for Bosnia-Herzegovina.

Akita Imports

The Board considered a request

from an individual, who had submitted a voluminous presentation, to support **a request to cease the registration of Akitas from Japan**. This request was tied to the division of the breed into the Japanese Akitas (Japanese type) and Great Japanese Dog (American type). The Board of the Akita Club of America is opposed to this action. In the past, all breed-specific actions have either been initiated by or carried out with the concurrence of the Parent Club. Following a motion by Dr. Battaglia, seconded by Ms. Scully, it was **VOTED** (affirmative: Dr. Battaglia, Ms. Scully, Dr. Garvin, Mr. Gladstone, Mr. Menaker, Mrs. Strand, Mr. Merriam, Mrs. Schaefer, Dr. Mays. Mr. Goodman, Dr. Haines; abstaining: Dr. Davies; absent; Mr. Marden) to **deny the request**.

Staff was also looking at the whole subject of opening and closing a stud book and dividing a breed and will report back to the Board.

Breed Listings

Based upon a request received from the Cardigan and Pembroke Welsh Corgi Parent Clubs, the committee discussed the way breeds are listed, in some cases with parentheses.

Staff will be doing an impact study on the effects of changing that. The committee will also be reviewing a staff initiative for a possible AKC Online Registration Record Keeping Program.

Public Relations and Public Affairs Committee

Mrs. Strand gave the report from the Public Relations and Public Affairs Committee. The committee discussed current pending discriminatory legislation and a proposed public relations campaign to differentiate AKC from other registries.

Meeting recessed Monday, May 9, 2005 at 5:30 p.m.

Meeting reconvened Tuesday, May 10, 2005 at 8:00 a.m. All Directors were present except Mrs. Strand, as were the Chief Operating Officer and Executive Secretary.

Solicitation and Promotion

There was a discussion on the current promotion and solicitation of assignments by AKC judges. Staff will be preparing a historical report on that for the Board.

Mr. Marden described the recent AKC National Gun Dog Championships. He wished to congratulate the host club, the German Shorthaired Pointer Club of Idaho, for the fantastic job they did in hosting this event.

Dr. Garvin reported on the Dalmatian Club of America's recent 100th Anniversary celebration. He presented AKC with a CD that included the photograph, background and pedigrees on all 130 Dalmatians that had won a Best in Show. It was compiled by Robert von Mayr, DCA Historian.

There being no further business to come before the meeting, and upon motion made and seconded, it was

VOTED: To adjourn at 8:50 a.m., Tuesday, May 10, 2005.

The Board then went into a workshop for the remainder of Tuesday and for Wednesday, May 11, on Strategic Planning.
