2. The contest will consist of two five-minute dictations, a Literary component at 200 wpm and a 2-Voice component at 225 wpm.
3. At the end of the dictation, each contestant will produce an ASCII file on a USB drive provided by the contestant. The jump drive must be marked for identification with the candidate's NCRA number or ABCR license number to protect the confidential grading process and will be collected. 5. Each component shall be graded separately, with the three highest scores receiving award recognition. There shall be an averaging of both contests to award the overall winner, with appropriate award recognition to the three highest averages.
6. Charge for participating in the realtime competition is \$50 plus at least one day of conference registration.
7. All decisions of the Contest Committee made under these rules, or such supplementary rules as may be found necessary at the time of the Contest, shall be final.
8. In addition to a USB jump drive marked with the contestant's NCRA number or ABCR license number on it, each contestant will need a set of earphones/earplugs to use during the test.
