About

Hi! My name is Alex Tooby and I live in Squamish, British Columbia (as seen above - isn't it gorgeous?!) I'm an entrepreneur, educator and influencer who ditched the 9 to 5 in 2014 to start my own online education company. Over time I have grown into a public figure role and use my platform to sell products and services that will help my audience improve their quality of life and their businesses. *I can't wait to see where your product fits in!*

My Audience

Gender: 69% Women, 31% Men

Average Age: 25 - 35

Top Locations: United States, United Kingdom & Canada

Interests: Entrepreneurship, Travel, Self-Improvement & Self-Care

My audience consists of nomadic entrepreneurs and small business owners that will invest in quality products and experiences. They look to trusted sources and rely on credibility, feedback and testimonials to help them make decisions.
