Alicia's speaking results speak for themselves:

"Alicia's session with our Americas Leadership Team was fantastic! Her delivery is fun and engaging. She is very knowledgeable and, being a Millennial herself, has first-hand experiences to share. In addition, our leadership team left the session with easy to implement actions to maximize the value of generational differences in the workplace."

— Jay Bleehash, Head of Region Americas
Bayer Radiology Human Resources

"Alicia was funny, pointed, interesting, and challenging. I loved, let me emphasize loved, the fact that she gave the audience a list of things they could take away and start using immediately. The feedback we received from everyone was that of high praise and enjoyment. We would highly recommend other companies using Alicia and would definitely engage her services again if the opportunity arose."
