GENERAL CARE

- Before first use, wash all parts with warm, soapy water. Please reference the valve-lid assembly diagram for proper disassembly in order to thoroughly clean all parts. Rinse all parts thoroughly and allow time to dry.
- Contents should not be left in the container for longer than 24 hours. As soon as possible after each and every use, wash all parts with warm, soapy water. Rinse all parts thoroughly with clean water. Allow all parts to dry completely prior to next use or storage.
- DO NOT use abrasive cleaners or scrubbers since they may dull the finish.
- DO NOT use bleach or cleaners containing chlorine on any parts of the product.
- This product is top-rack dishwasher safe; however, hand washing is recommended as the dishwasher uses harsher detergents and hot water that may affect the appearance of your product.
- Residual liquids, foods, or other contents may become trapped between product components, such as lid parts, container parts, gaskets (flexible band around lid and/or stopper), or straws (if present in the product). Although this product is top-rack dishwasher safe, hand washing is recommended to ensure that these parts of the product are thoroughly cleaned.
- For maximum thermal efficiency, prechill the product just prior to use. Fill with cold tap water, attach lid, let stand 5 to 10 minutes and empty water. After filling container with contents, re-cover with lid to increase thermal efficiency. Never use a microwave, conventional oven, or other heat source for this purpose.
ASSEMBLY & USE

Push-Button Straw Bottle:

1. Remove lid (A) by twisting counterclockwise.
2. Press the push-button (A1) on the lid (A) to open lid cover (A2).
3. Using your thumbs, push sipper straw (B) downward through lid (A).
4. Pull the straw stem (C) out of bottom of sipper straw (B).
5. Wash all parts separately and reassemble.
6. Fill container with contents. Do not overfill: Leave space for the lid (A) and straw stem (C), to avoid overflow.
7. Replace lid (A) by twisting clockwise.
8. To drink, press the push-button (A1) located on the lid (A) to release the lid cover (A2) and reveal the drink opening.
9. When finished drinking, close the lid cover (A2) until it snaps securely into place.

Note: A worn sipper straw (B) may cause the product to leak. Check sipper straw (B) regularly and replace immediately if damaged or worn. Replacement straws are available by calling Thermos Customer Service at 1-800-831-9242 (U.S.) or 1-800-669-7065 (Canada).

See WARNINGS Section below for further details.

WARNINGS

- **NOT FOR USE WITH HOT LIQUIDS:** For cold liquids only. Hot liquids may cause burns or scald user.
- **DO NOT** use product in microwave, on stove top, or in any type of oven.
- Use only with adult supervision.
Always test temperature of food or liquid before feeding to your child.

Never leave child unattended while using this product.

To avoid possible injury, do not let child walk or run with product.

To avoid possible injury, do not let child chew or teethe on the soft or hard material of the spout as it may present a choking hazard.

Continuous and prolonged sucking of fluids such as fruit juices or flavored sugary drinks may cause tooth decay.

DO NOT overfill the container: Leave space at top of container for lid, straw (if present) and stopper (if present), to avoid overflow.

In general, contents should not be left in container for longer than 24 hours. However, the rate at which contents spoil depends on several factors. Certain contents that include, for example, dairy and/or tomato may start to spoil sooner. Proceed with caution when using the product with quick spoiling contents.

If contents are left in container longer than 24 hours, or you suspect spoilage, use caution when opening container. Contents spoilage can cause pressure inside container to build, possibly leading to forceful ejection of stopper or contents. In such circumstances, before attempting to open container, ENSURE THE OPENING IS POINTED AWAY FROM THE USER OR OTHER PERSONS TO AVOID INJURY.

DO NOT use tools or devices to force container to open.

If you are unable to open container by hand, do not open it and dispose of it at your local waste facility.

DO NOT use to store or carry carbonated drinks or dry ice. This may cause lid/stopper and contents to eject forcefully or leak.

LIMITED WARRANTY

Thermos L.L.C. warrants this Genuine Thermos Brand product to be free from defects in material or workmanship for one year from date of purchase. This warranty does not cover ordinary wear and tear or color fading, or any condition affected by abuse, neglect, alteration, accident or improper use or maintenance.

We will, at our option, repair or replace any product component part that fails to conform to this warranty within 30 days after its receipt by our factory service department. IN NO EVENT WILL THERMOS BE LIABLE FOR INCIDENTAL, CONSEQUENTIAL OR SPECIAL DAMAGES.

Some jurisdictions do not allow the exclusion of incidental, consequential or special damages, so the preceding exclusion may not apply to you. This is a factory guarantee. Please do not return this product to the retailer.

Send defective unit or component along with written explanation of defect directly to:
