**BRAD Smith**

Wednesday at 6:45pm, Monument

We are mainly men in our 40s-50s seeking encouragement and wisdom from shared experiences, and hearing God’s word through our band of brothers. Most of us are in a mid-life transition (retirement, new jobs, empty-nest) and know that life is best lived in relationships with other men. Our group is also focused on serving the homeless in our community at Springs Rescue Mission.
We're a gathering of like-hearted men that practice being sons of our Father. We provide a safe space away from the rest of our worlds to explore our Father's heart towards each of us by enabling and encouraging communion with Him and with each other. Bring your questions - nothing is off-limits.

The main goal of this Fireteam is to create a safe place to share life's challenges and to support and pray for one another. We will also be studying the foundational principles of our faith through courses provided by biblical teaching of Dr. Victor Matthews.

This group is intended for young men who are pursuing a law enforcement or military career, and the primary focus is to equip them to guard their hearts in Christ Jesus in this difficult career.

My desire is for men to connect and encourage each other in topics to include Biblical maturity, purity, business, family and prayer. We will typically read through the Bible or a book written by a Christian author.

This is a Fireteam that focuses primarily on how God is at work in our business/vocation. Whether you're a business owner, growing entrepreneur, employee, or are struggling with the purpose or burden of work, come join us and we'll grow together in this area that is so vital to us as men!

We are a group of men seeking a closer fellowship with the Lord and with one another. We will be studying the Scriptures, inviting the Holy Spirit’s work in us, and exploring our spiritual gifts.

This Fireteam is a place to inspire and raise up men and help each other reach our potential in what God has called us to be. We discuss diverse topics and issues in mentorship to younger men, walking alongside the wounded, and trusting God for complete healing and restoration.

We spend time together sharing life, time in God’s word and time in prayer for each other. We believe that Christ’s disciples learn to make disciples, so we share in the facilitation of each meeting together using a simple, Bible-based format. All ages are welcome.

KELLY ZUBERT
