## Share

After you click “Share”, as described on the previous page, this window will appear. “Message to recipient” is optional. Click the “Email” tab if necessary. Then carefully enter the email address of the person with whom you want to share your study. You are responsible for entering an accurate email address. Then click “Share Studies”.

The recipient will receive an email notification that you have shared your study with them. They must click the link in the email which will take them to our registration process. After they register they can log in and view your study. Note: If you share your study with someone, they will be able to share your study with others.

The screenshot shows a web application interface with a 'Share Studies' dialog box open. The background is a greyed-out view of a 'Studies' page for a user named 'Mary Smith'. The dialog box is white with a close button (X) in the top right corner. It contains the following elements:

- Header:** 'Share Studies' with a close button (X).
- Message:** 'You are sharing the following studies:'
- Study List:** A single study is listed: '• Wrapped DICOM (DOB: ), Accession:'.
- Message to recipient:** A text area with the label 'Message to recipient' and a small 'X' icon in the bottom right corner.
- Tab:** A tab labeled 'Email' is selected.
- Email address:** A text input field with the label 'Email address'.
- Buttons:** 'Share Studies' (blue) and 'Close' (white) buttons at the bottom right.

The background interface includes the SimonM logo with the tagline 'See Tomorrow Today', the word 'Studies', and a list of three study entries for 'Smith, Mary' (DOB 02-02-1960, MRN 100073). Each entry has a 'Download' button and a share icon. A 'Share' button with a right-pointing arrow is also visible. The user's name 'Mary Smith' and a 'Sign Out' link are in the top right.

## Downloads

Studies download as zipped files that must be unzipped after download.

### Windows OS

Right click the zipped file, and select 'Extract All'.

### Mac OS

Double-click the zipped file, it will unzip automatically.
