GOLF TOURNAMENT SPONSORSHIPS

Monday, August 10, 2026

Arrowhead Golf Course

Littleton, CO

**Top-tier
opportunities
still open—
now's the time
to claim one.**

Sponsoring the ACEC Colorado Foundation Golf Tournament offers a unique opportunity to combine brand visibility, relationship-building, and meaningful community impact in a relaxed, high-engagement setting.

Direct Access to Decision-Makers | The tournament attracts principals, firm leaders, and senior professionals from ACEC Colorado member firms, providing sponsors with valuable face-to-face time in a setting designed for conversation and connection.

Targeted Brand Exposure | Sponsors receive visibility with a highly relevant audience through on-course signage, event promotions, and recognition throughout the tournament—ensuring impressions are meaningful, not mass-market.

Extended Engagement Time | Unlike traditional networking events, a golf tournament offers hours of shared experience, allowing relationships to develop naturally and authentically.

Multi-Touch Recognition | Sponsorships often include recognition before, during, and after the event, reinforcing brand awareness and recall across multiple touchpoints.

Purpose-Driven Impact | Proceeds from the tournament support the ACEC Colorado Foundation, funding scholarships and workforce development initiatives that strengthen the future of Colorado's engineering profession.

Employee & Client Engagement | Sponsorships include opportunities for team participation, making the tournament an effective tool for employee appreciation, client entertainment, and business development.

Positive Brand Association | Sponsors are aligned with a respected professional organization's signature annual event, reinforcing credibility, goodwill, and long-term brand value.
