

Blueprint Reading & Material Take-Off Workshop Registration Form September 29-30, 2026

KBMA will be conducting a **Blueprint Reading & Material Take-Off Workshop** at The Trail Hotel. Workshop hours are 8:00 am to 5:00 pm on both days. Your instructor, Casey Voorhees, will provide 2 full days of instruction and discussion of residential construction methods, blueprint reading and material take-off. Casey has an extensive background in building materials and has been conducting industry workshops for over 25 years. Attendees will receive hands-on experience figuring an actual set of working drawings. **This course is limited to a maximum of 20 students.**

Material covered:

Blueprint Reading	Wall Framing
Scale Usage	Siding & Exterior Trim
Estimating Formulas	Roof Systems
Material Applications	Common, Hip, Valley & Jack Rafters
Floor Layout	

- Attendees will learn basic blueprint reading by identifying lines, symbols and details while developing an understanding of elevations, floor plans, framing and sectional views.
- Attendees will be introduced to various residential construction methods and estimating formulas while working on a basic single level home with a trussed roof.

Attendees are required to bring a calculator and pencils.

Fees: **KBMA Members: \$600 per attendee**

Non-Members: \$750 per attendee

 Includes breakfast & lunch each day, course manual, blueprints, architectural and joist/truss layout scale.

Meeting Location and Hotel Accommodations: The Trail Hotel

KBMA special room rate of \$221 per night. Hotel Registration Information Coming Soon!!!
