

How an Association Health Plan Can Save You Money

How an Association Health Plan Benefits Your Employees

Employers can offer comprehensive benefit plans with a minimum group size of 2.

How an Association Health Plan Can Save You Time

When your Association Health Plans works in partnership with **Administrative Services Group**, a third party administrator with 40+ years of experience administering Association and Trust business, you have the option of many time saving services including:

- COBRA Administration
- Section 125 Premium Only Plan/Cafeteria Plan Administration
- Consolidation of multiple carriers into one bill. Remit one check for multiple carrier premium payments
- Eligibility services for multiple carriers sent to one place.
- Compliance and audit coordination for Department of Labor, Department of Insurance and ERISA
- Summary Plan Description distribution
- Personal and local customer service for billing and eligibility questions. All administrative staff located in Kentucky.

How an Association Health Plan Benefits Your Industry

By supporting your association and enrolling in the Association Health Care Program, your business is helping your Trade Association.

Growth and Retention
