Sullivan University College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Sullivan University College of Pharmacy designates the amount of CEUs (contact hours) listed next to each session. Except where specifically noted, all sessions are designated as knowledge-based learning activities.

CEUs (Contact Hours)

14 hours of CE are available to select from with 10 hours maximum per attendee.

Faculty Disclosure

In accordance with the Accreditation Council for Pharmacy Education (ACPE) Accreditation Standards for Continuing Pharmacy Education and the policy of Sullivan University College of Pharmacy, faculty disclosure of any relevant financial relationships with commercial entities must be given prior to presentation. Full disclosure was not available at the time of printing. Disclosure will be given verbally prior to each presentation.

Attendees will have approximately 6 weeks (November 30, 2017) from the last day of the conference to complete and submit evaluations and learning assessments for the sessions they attended. Evaluations that are not submitted by the deadline will NOT be uploaded to CPE Monitor, the database that stores pharmacy continuing education records. Instructions for completing course evaluations can be found on the KSHP website.

CPE Monitor is a collaborative service from the Accreditation Council for Pharmacy Education (ACPE) and the National Association of Boards of Pharmacy (NABP). CPE Monitor authenticates, stores, and streamlines data reporting and compliance verification for participating boards of pharmacy. Attendees who complete the requirements for earning continuing education contact hours may view and print their records from the CPE Monitor site.

Pharmacists may obtain a unique identification number from NABP (www.nabp.net). This number is used to upload continuing education units to the NABP database. After CPE units are processed by ACPE and NABP, participants will be able to download and print their comprehensive CPE transcript from the CPE Monitor website.
Thursday, October 12, 2017

7:00 – 8:00 am  Registration, Exhibits & Continental Breakfast

7:30 – 8:00 am  Round Table Discussions (Non CE-Credit)

8:00 – 8:15 am  President’s Welcome
Leslie Kenney, PharmD, KSHP President

MAIN TRACK

8:15 – 9:15 am  Pharmacist Must Be Leaders: Perspectives on Leveraging Leadership to Improve Patient Care (Knowledge-Based Session)
Paul Abramowitz, BSPh, PharmD, ScD (Hon), Chief Executive Officer, American Society of Health-System Pharmacists (ASHP)
0.1 CEU  ACPE# 0617-9999-17-061-L04-P
- Describe contemporary leadership perspectives applicable to colleagues and patients.
- Identify essential leadership knowledge, skills, and attributes to advance and impact care.
- Describe strategic leadership imperatives in the current environment.
- Illustrate examples of leadership excellence across the pharmacy enterprise.

9:20 – 10:20 am  Opiate Addiction in Pregnancy: Are We Doing it Right? (Knowledge-Based Session)
Jonathan Weeks, MD, Medical Director, Norton Healthcare Prenatal Addiction Program, Norton Healthcare, Louisville
0.1 CEU  ACPE# 0617-9999-17-045-L01-P
- Describe the current standard of care for treating opiate addiction in pregnancy.
- Discuss post-cesarean pain management for patients on MAT (Medication Assisted Treatment).
- Describe options for treating methadone maintenance patients who begin to experience withdrawal symptoms in the third trimester.

10:20 – 11:15 am  Exhibits & Networking

11:15 – 12:15 pm  Acknowledging “Chopped Liver”: General and Critical Care Management of Cirrhosis Patients (Knowledge-Based Session)
Megan Kunka Fritz, PharmD, BCPS, Internal Medicine Clinical Pharmacist, University of Kentucky Healthcare, Lexington
Melanie Laine, PharmD, BCCCP, Critical Care Clinical Pharmacist, University of Kentucky Healthcare, Lexington
0.1 CEU  ACPE# 0617-9999-17-047-L01-P
- Recognize cirrhosis and complications of this disease state.
- Discuss the management of hepatorenal syndrome, spontaneous bacterial peritonitis, hepatic encephalopathy, and variceal bleeding.
- Identify nuances in the management of the above complications for patients located in general medicine wards versus the intensive care unit.
- Describe supportive care strategies for patients with cirrhosis, with a focus on coagulopathy of liver disease.

12:15 – 1:15 pm  Luncheon – Colleges of Pharmacy Update

1:20 – 1:55 pm  Exhibits & Networking
2:00 – 3:00 Sessions SELECT ONE of the Below Options

2:00 – 3:00 pm  
**Clinical Pearls – Group 1 (Knowledge-Based Session)**
0.1 CEU  
ACPE# 0617-9999-17-058-L01-P  
Sophia Brown, PharmD Candidate, Class of 2019, University of Kentucky College of Pharmacy, Lexington  
Jennifer Wiedmar, PharmD, BCPS, BCCCP, Neurocritical Care Pharmacy Specialist, Clinical Pharmacy Lead, University of Louisville Hospital, Louisville  
Clayton Johnston, PharmD, MBA, MA, MEd, CHFP, CPHQ, CPPS, CSSBB, Associate Director of Pharmacy Services, University of Kentucky Healthcare, Lexington  
- List the major risk factors for hypoglycemia in Type 2 diabetes patients.  
- Summarize the hypoglycemic outcomes for insulin degludec with glargine, and identify potential clinical advantages in the treatment of Type 2 diabetes.  
- Discuss benefits of a successful Pharmacy and Therapeutics Committee process.  
- Identify keys to success for an efficient Pharmacy and Therapeutics Committee.  
- Identify the daily serum sodium correction goal for patients with dysnatremia.  
- Explain the importance of sodium concentration in CRRT replacement fluid to control the correction of dysnatremia in patients with renal failure.

(OR)

2:00 – 2:30 pm  
**2017 State and Federal Legislative Update (Knowledge-Based Session)**
Scott Hayes, PharmD, BCPS, Assistant Professor, Sullivan University College of Pharmacy, Louisville  
0.05 CEU  
ACPE# 0617-9999-17-048-L03-P  
- Describe state legislative changes and federal provider status from 2017.  
- Describe ways to support current and future legislative agenda items.

2:30 – 3:00 pm  
**Advocacy Session: Credentialing (Knowledge-Based Session)**
Stephanie Sutphin, PharmD, BCOP, FKSHP, Clinical Coordinator, University of Kentucky Healthcare, Lexington  
0.05 CEU  
ACPE# 0617-9999-17-049-L04-P  
- Recognize how changes in workforce supply & demand, healthcare reform, and payment structures will influence how pharmacists practice and the importance of credentialing and privileging to ensure continued success and viability for pharmacists.  
- Describe how Medicare Access & CHIP Reauthorization Act of 2015 (MACRA) reform may impact future practice models including payment for services.

3:00 – 4:00 Sessions SELECT ONE of the Below Options

3:00 – 4:00 pm  
**Can We “Prune” Our Brains? Exploring the Role of Drugs in Neuroplasticity (Application-Based Session)**
Emma Palmer, PharmD, BCPS, BCPP, Assistant Professor, Clinical and Administrative Sciences, Sullivan University College of Pharmacy, Louisville  
0.1 CEU  
ACPE# 0617-9999-17-052-L05-P  
- Describe neuroplasticity and changes in brain plasticity throughout the lifespan.  
- Compare common disease states and treatment approaches impacted by neuroplasticity.  
- List proposed mechanisms in which select pharmacological agents alter neuroplasticity.  
- Demonstrate ways to utilize concepts of neuroplasticity in mental illness during patient-provider interactions

(OR)

3:00 – 3:30 pm  
**Standardize 4 Safety (Knowledge-Based Session)**
Shannon Mayes, PharmD, BCPS, Clinical Pharmacy Manager, Norton Children’s Hospital, Louisville  
0.05 CEU  
ACPE# 0617-9999-17-043-L01-P  
- Recognize how medication standardization can reduce errors related to transitions of care.  
- Describe the Standardize 4 Safety Initiative components and potential risk/benefits of implementation.
3:30 – 4:00 pm  Development of an ICU-based Specialty Technician to Improve the Medication Distribution Process (Knowledge-Based Session)
Melissa Thompson Bastin, PharmD, BCPS, Critical Care Pharmacist, Medical Intensive Care Unit/Pulmonary, Assistant Adjunct Professor, Department of Pharmacy Practice and Science, University of Kentucky Healthcare, Lexington
0.05 CEU
ACPE# 0617-9999-17-053-L04-P
- Identify novel opportunities for pharmacy technicians to impact the medication distribution process.
- Explore roles for pharmacy technicians in your intensive care unit.

3:05 – 4:45 pm  Reverse Expo
KSHP will offer this second annual “invitation only” event in which eligible exhibitors will have the opportunity to meet one-on-one with key Health-Systems Directors.

4:00 – 5:00 pm  An Ounce of Prevention: Our Opioid Misuse Reduction Strategy (Knowledge-Based Session)
Doug Oyler, PharmD, BCCCP, Chair, Opioid Stewardship Program, University of Kentucky Healthcare, Lexington
0.1 CEU
ACPE# 0617-9999-17-054-L01-P
- Describe the scope of the current opioid crisis, including key contributing factors.
- Define opioid stewardship.
- Identify members of an opioid stewardship team.
- List tasks and objectives to successfully build a stewardship program.

5:00 – 6:30 pm  KSHP Martha Lou King Foundation Reception and Silent Auction

Friday, October 13, 2017

7:00 – 8:00 am  Registration, Exhibits & Continental Breakfast

7:30 – 8:00 am  KSHP Committee Meetings

MAIN TRACK

8:00 – 9:00 am  Where Do the New Antimicrobials Fit into Our Arsenal? (Application-Based Session)
David Burgess, PharmD, FCCP, Professor, Department of Pharmacy Practice, University of Kentucky College of Pharmacy, Lexington
Donna Burgess, RPh, Pharmacy Clinical Coordinator of Infectious Diseases, University of Kentucky College of Pharmacy, Lexington
0.1 CEU
ACPE# 0617-9999-17-059-L01-P
- Differentiate the spectrum of activity for the new lipoglycopeptides (dalbavancin, oritavancin) and beta-lactam/beta-lactamase inhibitors (ceftazidime/avibactam, ceftolozane/tazobactam) from older antimicrobials.
- Design the appropriate regimen for each of the new lipoglycopeptides (dalbavancin, oritavancin) and beta-lactam/beta-lactamase inhibitors (ceftazidime/avibactam, ceftolozane/tazobactam).
- Recommend the place in therapy for the new lipoglycopeptides (dalbavancin, oritavancin) and beta-lactam/beta-lactamase inhibitors (ceftazidime/avibactam, ceftolozane/tazobactam).

9:00 – 10:00 am  Exhibits & Networking

10:00 – 11:00 am  I Can’t Feel My Face When I’m With You: Drugs of Abuse and Antidotes (Application-Based Session)
Kristan Higgs, PharmD, BCPS, Emergency Medicine Clinical Pharmacy Specialist, Owensboro Health, Owensboro
0.1 CEU
ACPE# 0617-9999-17-046-L01-P
- Recommend an appropriate treatment regimen for reversal of opioid overdose.
- Develop a treatment plan for a patient who presents with calcium channel blocker or beta-blocker overdose.
- Design a treatment plan in the setting of tricyclic antidepressant overdose.
- Predict signs and symptoms of synthetic cathinone or synthetic cannabinoid intoxication.
11:15 – 12:45 pm  Luncheon – Awards Ceremony and Installation of Officers

1:00 – 2:00 pm  Clinical Pearls – Group 2 (Knowledge-Based Session)

0.1 CEU  ACPE# 0617-9999-17-055-L01-P

Savannah Gulley, PharmD, PGY2 Oncology Resident, Norton Children’s Hospital, Louisville
Eric Gregory, PharmD, PGY2 Infectious Diseases Resident, University of Kentucky Healthcare, Lexington
Lourdes Cross, PharmD, BCACP, CDE, Assistant Professor, Sullivan University College of Pharmacy, Louisville

- Discuss the ethical issues regarding eculizumab therapy as they relate to dosing and the Risk Evaluation and Mitigation Strategy (REMS).
- Summarize the utility of vancomycin therapeutic drug monitoring with trough concentrations and area under the curve (AUC) methods.
- Discuss methods and future opportunities to more effectively and safely monitor vancomycin.
- Describe the clinical profiles of basal insulins and GLP-1 receptor agonists.
- Summarize the safety and efficacy characteristics of GLP-1 receptor agonists and prandial insulin in combination with basal insulin.

2:00 – 3:00 pm  Don’t Forget About Me: Management of Chronic Comorbidities in the Acute Care Setting (Knowledge-Based Session)

0.1 CEU  ACPE# 0617-9999-17-044-L01-P

Vanessa Vanarsdale, PharmD, BCPS, Clinical Pharmacy Specialist, Internal Medicine, University of Louisville Hospital, Louisville
Kristina Evans, PharmD, BCPS, Clinical Pharmacist, Internal Medicine, University of Louisville Hospital, Louisville

- Summarize the basic pathophysiology and medication management of irritable bowel syndrome, pulmonary arterial hypertension, multiple sclerosis and rheumatoid arthritis.
- Identify the pertinent information necessary to ensure patient safety in regards to the medication management of irritable bowel syndrome, pulmonary arterial hypertension, multiple sclerosis and rheumatoid arthritis.
- Discuss common medications used in the acute care setting that can impact the management of irritable bowel syndrome, pulmonary arterial hypertension, multiple sclerosis and rheumatoid arthritis.
- Explain the benefits and/or risks of continuing or holding maintenance therapy used for the management of irritable bowel syndrome, pulmonary arterial hypertension, multiple sclerosis and rheumatoid arthritis.

EDUCATION/RESIDENCY TRACK

7:00 – 8:00 am  Registration, Exhibits & Continental Breakfast

7:00 – 10:30 am  Meet ASHP CEO Paul Abramowitz in Student/Resident Roundtable Sessions
These will be conducted in three different sessions: 7:00-8:15 am, 8:15-9:15 am, and 9:30-10:30 am. Full day registration and advanced sign-up ONLINE REQUIRED. Space is limited to 10-12 people in each session, so please be sure to register for this option in advance.

7:30 – 8:00 am  KSHP Committee Meetings

8:00 – 9:00 am  Pharmacist’s Patient Care Process: Let’s All Speak the Same Language (Application-Based Session)

Misty Stutz, PharmD, Associate Professor, Assistant Dean and Chair, Clinical and Administrative Sciences, Sullivan University College of Pharmacy, Louisville
Anne Policastro, PharmD, MBA, FKSHP, FASHP, Director of Experiential Education, University of Kentucky College of Pharmacy, Lexington

0.1 CEU  ACPE# 0617-9999-17-060-L04-P

- Review the background involved in creation of the Pharmacists’ Patient Care Process.
- Define each component of the Pharmacists’ Patient Care Process and describe how it is used.
- Create a preceptor assessment for a student using the components of the Pharmacists’ Patient Care Process.

Kentucky Society of Health-System Pharmacists 2017 Fall Meeting
*Program subject to change

Hotel Accommodations
Please contact the Griffin Gate Marriott Reservations Department at 800-228-9290 before September 20, 2017. Be sure to mention you are with the Kentucky Society of Health-System Pharmacists 2017 Fall Meeting. The Griffin Gate address is 1800 Newtown Pike, Lexington, KY 40511. Room rates are $174/night.

Registration Information
You may register online with a credit card on the KSHP website. Once on the Fall Meeting event page, members please use the “Members Click Here to Login” link at the top of the page to view the discounted rates. Non-members please use the “Register Now” button at the bottom of the page.

If you wish to pay by check please use the Registration Form contained at the end of this packet. Complete the form and remit with payment to: KSHP, Attn: Fall Meeting, P.O. Box 4961, Louisville, KY 40204. Or you may email the form to info@kshp.org or fax the form to 502-456-1821.

Parking at the Griffin Gate Marriott
Parking for the meeting is in the Galt House Hotel parking lot. There is plenty of complimentary self-parking in front of the hotel. If you select to valet park please keep in mind that all parking fees are the personal responsibility of each attendee.

Refund Policy
Any request for a refund must be submitted in writing to the association office and include the reason for the request. All refunds will be considered by the KSHP Executive Committee on an individual basis. Requests must be received prior to October 1, 2017 for consideration. There will be a $25 service charge for all refunds.

Presentation Handouts
After registering for the meeting please visit the KSHP website at www.kshp.org to download the meeting presentation handouts prior to the event. Handouts will be posted in the “member’s section” prior to the event and can be found in the “Documents” section of the KSHP website.

Registration Deadline is October 6, 2017

This is a GREEN meeting. Attendees who wish to have printed handouts will be provided instructions for self-printing these materials prior to the conference. Complimentary wifi will be available at the meeting.
