

Marriott®

LOUISVILLE EAST

To connect, please do the following:

Directions for wireless internet

- 1) Choose “Marriott Conference” from your choice of wireless connections
- 2) This will take you to the Marriott page
- 3) Connect to the Internet via your favorite browser (Chrome, Internet Explorer, Firefox...).
- 4) Type in your Passcode : **KSHP**
- 5) Add your name
- 6) Check terms and conditions

If multiple users are downloading simultaneously, you may experience drops in wireless service. To extend bandwidth additional charges may apply. For questions or problems please ask a Marriott Louisville East staff member to contact PSAV or call 502-318-1704 or 4905 from a house phone.
