Sullivan University College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. Sullivan University College of Pharmacy designates the amount of CEUs (contact hours) listed next to each session. Except where specifically noted, all sessions are designated as knowledge-based learning activities.

**CEUs (Contact Hours)**

Five and a half (5.5) hours of CE will be available at this meeting.

**Faculty Disclosure**

In accordance with the Accreditation Council for Pharmacy Education (ACPE) Accreditation Standards for Continuing Pharmacy Education and the policy of Sullivan University College of Pharmacy, faculty disclosure of any relevant financial relationships with commercial entities must be given prior to presentation. Full disclosure was not available at the time of printing. Disclosure will be given verbally prior to each presentation.

Attendees will have until June 11, 2018 to complete and submit evaluations and learning assessments for the sessions they attended. Evaluations that are not submitted by the deadline will NOT be uploaded to CPE Monitor, the database that stores pharmacy continuing education records. Instructions for completing course evaluations can be found on the KSHP website.

CPE Monitor is a collaborative service from the Accreditation Council for Pharmacy Education (ACPE) and the National Association of Boards of Pharmacy (NABP). CPE Monitor authenticates, stores, and streamlines data reporting and compliance verification for participating boards of pharmacy. Attendees who complete the requirements for earning continuing education contact hours may view and print their records from the CPE Monitor site.

Pharmacists may obtain a unique identification number from NABP (www.nabp.net). This number is used to upload continuing education units to the NABP database. After CPE units are processed by ACPE and NABP, participants will be able to download and print their comprehensive CPE transcript from the CPE Monitor website.

Friday, May 11, 2018

**Pharmacist & Technician Track**

7:00 – 7:45 am  Registration, Exhibits, Networking & Continental Breakfast

7:45 – 8:00 am  President’s Welcome
Leslie Kenney, PharmD, KSHP President

8:00 – 9:00 am  **Well-Being – It’s Not Just for Patients Anymore**
(Knowledge-Based Session)
Kelly M. Smith, PharmD, FASHP, FCCP, Professor and Associate Dean, University of Kentucky College of Pharmacy, Lexington

0.1 CEU  ACPE# 0617-9999-18-033-L04-P  0617-9999-18-033-L04-T

**Pharmacist Learning Objectives**
- Explain why clinician burnout is a patient care and healthcare workforce problem that needs addressing.
- Discuss what is known about burnout in the pharmacy workforce.
- Describe the National Academy of Medicine Clinician Well-Being and Resilience Action Collaborative.
- Identify strategies to impact well-being and resilience in pharmacists, pharmacy residents, student pharmacists and pharmacy technicians.

**Technician Learning Objectives**
- Explain why clinician burnout is a patient care and healthcare workforce problem that needs addressing.
- Discuss what is known about burnout in the pharmacy workforce.
- Describe the National Academy of Medicine Clinician Well-Being and Resilience Action Collaborative.
- Identify strategies to impact well-being and resilience in pharmacy technicians.

9:05 – 10:05 am  **Reverse Expo**
Exhibitors who have pre-registered for this session will meet one-on-one with thought leaders and directors from around the state representing many of our health-systems.

9:05 – 10:05 am  **Cardiovascular Outcomes of Diabetes Medications**
(Knowledge-Based Session)
Kayla Kreft, PharmD, PGY2, Ambulatory Care Resident, University of Louisville Hospital, Louisville

0.1 CEU  ACPE# 0617-9999-18-034-L01-P
- Describe the link between diabetes mellitus and cardiovascular disease.
- Summarize important literature that lead to the FDA Guidance for Industry regarding the evaluation of cardiovascular risk of antidiabetic therapies.
- Explain the impact of the FDA Guidance for Industry.
- Discuss the literature published on cardiovascular effects of diabetes agents since the FDA Guidance for Industry.

10:05 – 11:00 am  Exhibits, Networking & Poster Sessions

11:00 – 12:00 pm  **Pharmacy Strategies for Reducing Barriers and Improving Naloxone Uptake in Kentucky**
(Knowledge-Based Session)
Cathy Spencer, PharmD, BCPS, BCACP, AAHIVP, Director, PGY2 Ambulatory Care Residency Program, University of Louisville Hospital, Louisville

Jessica Johnson, PharmD, Clinical Pharmacy Specialist, University of Louisville Hospital, Louisville
Pharmacist Learning Objectives
- Describe Kentucky's opioid overdose crisis.
- Identify barriers to effective naloxone distribution.
- Recognize patients who could benefit from naloxone.
- Discuss pharmacy strategies for increasing naloxone uptake.

Technician Learning Objectives
- Describe Kentucky's opioid overdose crisis.
- Identify barriers to effective naloxone distribution.
- Assist the pharmacist in recognizing patients who could benefit from naloxone.
- Discuss pharmacy strategies for increasing naloxone uptake.

Kentucky Society of Health-System Pharmacists 2018 Spring Meeting

Hotel Accommodations
We encourage vendors to stay at a hotel close to Keeneland. Please visit the Lexington Conventions and Visitor’s Bureau website (https://www.visitlex.com/hotels/) to find hotels near Keeneland. Once on the page use the “Sort by Category” menu to find hotels listed as “Near Keeneland and Airport.”

Parking
Complimentary self-parking is available in the Keeneland Parking Lot. Please enter at the Keeneland Blvd. entrance and follow the signs to the Grandstand.

Registration Information
You may register online with a credit card on the KSHP website. One the 2018 Spring Meeting event page, members please use the “Members Click Here to Login” link at the top of the page, non-members please use the “Register Now” button at the bottom of the page.

If you wish to pay by check please use the Registration Form contained at the end of this packet. Complete the form and remit with payment to: KSHP, Attn: Spring Meeting, P.O. Box 4961, Louisville, KY 40204. Or you may email the form to info@kshp.org or fax the form to 502-456-1821.

Refund Policy
Any request for a refund must be submitted in writing to the association office and include the reason for the request. All refunds will be considered by the KSHP Executive Committee on an individual basis. Requests must be received prior to April 27, 2018 for consideration. There will be a $25 service charge for all refunds.

Presentation Handouts
After registering for the meeting please visit the KSHP website at www.kshp.org to download the meeting presentation handouts prior to the event. Handouts will be posted in the “member’s section” prior to the event and can be found in the “Documents” section of the KSHP website.

Register Online for the Spring Meeting

Registration Deadline is May 1, 2018

This is a GREEN meeting. Attendees who wish to have printed handouts will be provided instructions for self-printing these materials prior to the conference. Complimentary wifi will be available at the meeting.

“Spring Meeting Bonus!”
Teams of Pharmacy Residents are assembling gift baskets for raffle, with proceeds going to KSHP’s Martha Lou King Foundation. Baskets will be on site, tickets will be sold throughout the day with the drawing held before meeting concludes. The basket with the most tickets sold will win a prize for that Resident team. Please support the Residents’ generous effort for the Foundation.
