

Kentucky Society of Health-System Pharmacists: 2017 Membership Campaign

Our Mission

To assist KSHP members in the provision of pharmaceutical care in organized health care settings throughout the Commonwealth of Kentucky.

In pursuing this mission, the Kentucky Society of Health-System Pharmacists will facilitate the development, achievement and improvement of pharmaceutical care by providing leadership in:

1. Representing its members;
2. Facilitating communication among pharmaceutical professionals;
3. Offering educational opportunities;
4. Encouraging advancement of professional practice standards to ensure patients receive optimal care;
5. Promoting pharmacy as an essential component of a total health care system.

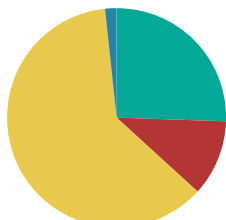

KSHP Board Members, October 2016

"KSHP is my closest group of networking colleagues. KSHP members consistently support me and help me work through challenging clinical and operational dilemmas. I'm grateful to belong to such a talented group of professionals."

Our Current Members represent 69 counties and 77 employers.

KSHP Membership 2016

- Pharmacists (227) ■ Residents (100)
- Students (547) ■ Technicians (15)

KSHP 2016 Accomplishments

- Actively involved with the Sterile Compounding Task Force and in revisions to the Pharmacy Practice Act
- Participated in 14 in-person pharmacist Naloxone training sessions
- Hosted the first annual Pharmacy Thought Leaders Reception at the Spring meeting
- Developed and began to implement strategic plan goals
- Completed data collection for a statewide research project with plans to publish a manuscript in the near future
- Supported the appointment of Craig Martin to the Board of Pharmacy
- Hosted the first annual statewide residency showcase at the Fall meeting
- Hosted the second annual "reverse expo" event at the Fall meeting
- Awarded \$2,650 in scholarship money to Kentucky pharmacy students via the Martha Lou King Foundation
- Strengthened our social media presence
- Hosted record numbers of attendees for our annual Spring and Fall meetings

KSHP Board Retreat, May 2016

2016-2018 KSHP Strategic Plan Goals

1. Improve and facilitate communication among members
2. Increase membership through marketing
3. Formulate a sustainability plan for KSHP House of Delegates
4. Outline an effective leadership development initiative
5. Expand opportunities for residents and preceptors through KPRN
6. Generate revenue via novel pathways

"The value of KSHP membership goes beyond building your CV. Membership has provided benefit to me personally through opportunities to grow my knowledge and skills, professionally by providing opportunities to advocate for our profession, and perhaps most importantly, provided benefits to the patients I serve through educational programs and sharing of ideas with other pharmacists throughout the state. Membership in KSHP is well worth your dues, your time, and your commitment."

KSHP Spring Meeting, May 2016
