Call for Nominations!

2018 Supplier of the Year Award of Excellence

This award is presented to a supplier member in recognition of outstanding association and industry contributions, leadership and professionalism. The selection of this award is based on a history of accomplishments in our industry as well as to meeting management and for furthering the aims of KSAE and its mission. The supplier of the year serves as a role model for other suppliers.

Nominee’s Eligibility Criteria:
• Must be an affiliate member of KSAE for at least three years
• Must possess high ethical standards
• Not be the current PSAE President

Other considerations for nomination include:
• Outstanding leadership
• Professional achievement
• Mentor or steward to colleagues or employees
• Excellence or accomplishments within the individual’s organization (awards, promotions, internal recognition programs)
• Past participation or service in KSAE
• Recognition by peers

Please fill out this form with the nominee’s accomplishments and why you feel they deserve to receive this award.

Name of Nominee: ________________________________________________________________
Organization/Business: ___________________________________________________________

I am nominating this member of KSAE for the Supplier of the Year because: ______________________________
