

2026 BWSA WINTER SKEET LEAGUE

LEAGUE STRUCTURE

- 3-person teams.
- 500 targets. Shooting days are on Thursday and Sunday.
- You can score 100 targets ahead of the current 100 bird time period.
- Late scores or no scores will be your average (whole number) minus 2 targets.
- If you plan to score a round, mark the sheet with a **RED** "S" before leaving the Club House.
- No individual handicaps this year. Your team's handicap will be determined by your score after the 1st 100 birds and you'll be placed in a division based on that score. High to low.
- Ghost shooter scores will be random actual shooter scores from your division for teams with less than 3 shooters. A ghost shooter's score can only be used once. Ghost shooter scores for the 1st 100 will be the league average.
- The winning teams of each Division will shoot-off on Banquet Day. Shoot off rules same as last year and will be posted at the clubhouse.
- Scoring can be done by any shooter on the squad if a trapper is not available.

TIMING

- Start scoring on Sunday Jan. 4th.
- Must have 100 targets scored by January 18th.
- Must have 200 targets scored by February 8th.
- Must have 300 targets scored by March 1st.
- Must have 400 targets scored by March 22nd.
- Must have 500 targets scored by April 16th.

NOTE: All scoring per time period must be completed by COB on end date, no exceptions. (IE: 1st 100 targets must be scored by COB January 18th). Divisions will be determined after the 1st 100 birds. No deadline extensions this year. Use your 100 bird shoot ahead to give you some leeway in case the club is closed on a shooting day.

AWARDS

- League Banquet and Shooting Games date is TBD.
- Overall Team Champion Trophies
- Division Champion Trophies
- High Gross Team
- Actual scores shot will be used to determine:
 - High Gun, 2nd, and 3rd place.
