

2024 PWDCA Superdog Award Rules

SUPERDOG is a very special honor awarded at the end of the National Specialty. This honor recognizes overall versatility of the Portuguese Water Dog by requiring participation in a variety of events. It rewards capabilities and efforts of the individual PWD who competes in three or more events and accumulates the most overall points for placements and qualifying performance. To be eligible for SUPERDOG, dogs must be entered and compete in at least three of the seven possible areas of competition: Conformation, Obedience, Agility, Water, Rally, AKC Scent Work, and Tracking (if offered.) The scoring system allows dogs at all levels to compete and be recognized for their achievements and their versatility.

(For example, FEO AWD qualifier will earn 2 points.) Eligibility will be defined by the current PWDCA Water Trial Manual definition of Regular and Non-Regular entries. Any dog who earned a title more than 30 days before the trial date is considered a non-regular entry at that level

(with the exception of Courier and Master detailed below). Dogs with WWD title who have not yet earned WWDX are considered regular entry until the WWDX title has been earned. Note: any dog that qualifies at Courier or Master level will receive 6 points regardless of FEO status. Any dog with CWD title or higher that enters Working will receive two fewer points even if they have not yet earned WWDX and are thus considered a regular entry.

- g. If two Scent Work trials are offered, the highest total score from either trial will be considered for SD. High score and HIT/HCD from separate trials are not combined.

- d. Tracking is by nature limited in the number of entries. The PWDCA Board made the decision that, "following normal entry procedures, if all Superdog entrants cannot be accommodated for a venue (e.g., Tracking), then that venue cannot be

counted toward Superdog". (PWDCA Board meeting minutes 05/11/2015, 04/18/2016)

ADDITIONAL INFORMATION

a. An additional 1 bonus point will be added to the final SD total for a dog that earns points in and is handled by one person in 4 or more venues which must include Conformation. The same handler must show the dog in all classes entered. Exceptions are: the Swim-with-Handler exercise in Water, a handler with two dogs in the same Obedience class group sits and downs, a dog passed on to a different handler for Winners or Best of Breed in conformation, and a handler who is injured during an event and cannot continue. **Handlers must notify the SD chair at the beginning and end of contest to confirm that one handler has shown the dog in all classes.**

b. Class size – There must be a minimum of 5 dogs in the class for Conformation, Obedience, Rally, Agility, or Scent Work or the points awarded for class placements will be reduced by 1 point for each dog fewer than 5 in the class.

For example, in Conformation or Regular Obedience classes, if there are only 4 dogs in the class, the points would be 3, 2, and 1 point for 1st through 3rd place, and no placement point for 4th place. If there are 3 dogs in the class, points would be 2 and 1 for 1st and 2nd place, and no placement points for 3rd place. Classes with reduced points (such as Preferred Obedience, Rally Novice, Preferred Agility, etc.) will also be reduced by 1 point for each dog fewer than 5 in the class.

In all events where a qualifying score is awarded (ie, performance events such as Obedience, Rally, etc), 0.5 points will be awarded for a qualifying score if NO placement points are earned. The 0.5 point for a qualifying score is NOT added to placement points.

c. FEO- When "For Exhibition Only" entries are permitted by the host club, qualifiers will be awarded two FEWER points for the appropriate placement. (For example, FEO WWD qualifier will earn 3 points; FEO TD qualifier will earn 2 points, etc.) FEO eligibility will be defined by the host club in the Specialty premiums. Note: exception is made for Courier and Master Water Trial entries, and certain Working entries- see Water Work section 5 above.

d. Maximum Points - The maximum SUPERDOG points any dog can receive in Conformation, Obedience, Agility, Water, or Tracking is 6. The maximum points any dog

can receive in Rally or Scent Work is 5. The single handler bonus point in section (a) above is in addition to these maximum allowable points.

e. When two trials in a performance event are offered, the highest total score including any bonus points or HIT points from either trial will be considered for SD. Any Double Q or Combined score must be from the same trial. Individual qualifying runs from two separate trials cannot be combined and used for a double Q bonus, or for any other type of bonus point.

f. If factors beyond anyone's control occur and an event is canceled before it is completed, the committee may disallow all of the scores for that venue, at the discretion of the committee.

IN CASE OF A TIE

1. In case of a points tie, the dog that has earned points in the most venues will take precedence over all other dogs.

2. If dogs are still tied, the points from *every* placement each dog has received will be examined when breaking second ties. (Placements for the tiebreaker will be defined as dogs defeating at least one other dog, so 0.5 points earned for 1st place in a class with just one entry will not count when calculating a tie-breaker.)

3. In case of a final tie, the dogs will share the honor. It is the responsibility of the Specialty Host Club to provide duplicate awards in the case of a final tie.

Notes to Specialty Host Clubs:

The Specialty Host Club will determine the SUPERDOG entry fee. A listing of competitors shall be posted on the Specialty grounds, with tabulations updated periodically. The first place SUPERDOG will be awarded at the Awards Banquet.
