

Innovative Medical Professionals Achieving Quality Together

AUTHORSHIP CERTIFICATION

The **IMPACTSM** Qualifications for Authorship are available at [Michigan Association for Healthcare Quality - Powered by AMO \(mimahq.org\)](http://Michigan Association for Healthcare Quality - Powered by AMO (mimahq.org)).

By my signature below, I certify that:

- I have read the **IMPACTSM** Qualifications for Authorship and meet all of the requirements.
- I have participated sufficiently in the underlying work and/or preparation of the manuscript to take public responsibility for the entire content.
- I have made an important contribution to the manuscript and am thoroughly familiar with the primary data, supporting, or supplemental materials.
- the underlying research, experimentation, study, or analysis, and preparation of the manuscript stated below was *not* undertaken as part of my, or any other contributor or author's employment or contracted duties, thus making the manuscript and its contents a work for hire with the attendant copyrights belonging to the employer or contracting entity.
- I have contributed to the manuscript in such a manner as to have a legal claim to a portion of the copyright and possibly other intellectual property rights attendant to this manuscript.
- all persons who have made substantial contributions to the work reported or contained in the manuscript (e.g., data collection, analysis, writing, or editing assistance) but who do not fulfill the authorship criteria will be named along with their specific contributions in the acknowledgment or other such section of the manuscript.
- the manuscript comprises original, truthful, authentic, valid, unpublished materials, information, research and/or analysis that is not under consideration for publication elsewhere, in any form or format, under my authorship.

- I have read the complete manuscript and take responsibility for the content and completeness of the manuscript, and understand that I share responsibility if the manuscript, or any part of the manuscript, is found to be faulty or fraudulent.
- I have given my approval of the final version of the manuscript submitted to **IMPAQTSM** for publication consideration.
- I have agreed to authorize and permit the Submitting Author to serve as the primary correspondent with the **IMPAQTSM** editorial office and to review the edited manuscript and proof on my behalf. I understand that when the Submitting Author determines that the edited manuscript and proof are to be approved in final form for submission for actual publication, that I am required to review it personally and provide my approval and sign-off on it as well.

By signing below, I affirm that the foregoing information is complete and truthful, and I agree to notify **IMPAQTSM** immediately if there are any changes or additions to the information above. By submitting a manuscript for publication consideration, I attest that I support the commitment of **IMPAQTSM** to publishing only bias-free submissions representing the highest level of integrity and scientific objectivity, and I will not knowingly subvert such efforts by failing to properly and timely disclose any required information.

Electronic Signature*: _____

Manuscript Submission Title: _____

Date: _____

* **Electronic signature:** your name and a 4-digit number you would recognize as meaning something to you – *NOT* part of your driver license, SSN, or pin number).

Check here if you are the Submitting Author:

The Submitting Author acknowledges and accepts the responsibility on behalf of all contributing authors, if any, concerning authorship qualification, responsibility, criteria, and contributions.
