

AzAHQ Presents:

Practical Testing of AI in Improvement

Wednesday, December 10th, 2026
12:00 pm to 1:00 pm Phx/MST

Register by Dec 9th

Description: Explore the intersection of healthcare improvement and artificial intelligence (AI), including key challenges in integrating AI into improvement activities. Participants will apply practical PDSA tests using AI chatbots and develop routines for learning and using AI effectively in practice.

Objectives:

- Describe the current intersection of healthcare improvement and artificial intelligence (AI).
- Identify key challenges when integrating AI into improvement activities.
- Demonstrate practical PDSA tests using AI chatbots.
- Develop routines for learning AI in practice

**FREE for active members of participating
HQ Collective associations**

(AzAHQ, FAHQ, MAHQ, NCAHQ, NEAHQ, OAHQ, OrAHQ,
TGCAHQ, & UAHQ)

\$35 for Non-members
