Animal Transportation Association

ATA Celebrates 50th Annual Conference

Putting Animal Transportation in the Spotlight

The Animal Transportation Association (ATA) invites you to join us at our 50th Annual Conference, where we will celebrate the evolution and growth of the animal transportation industry. This event will feature speakers, panel discussions, and networking opportunities to explore the latest trends and challenges in the field. Whether you are a new or seasoned professional, you will find valuable insights and resources to enhance your career.

Member Welcome | Geocorp/Geopets

Welcome to our upcoming operating group meeting! We are excited to host Geocorp/Geopets, and we look forward to engaging in meaningful discussions on the latest industry topics. This event will provide a platform for sharing ideas and fostering collaborations. Don't miss out on this opportunity to connect with like-minded professionals and stay informed on the latest developments in our field.

AHA Celebrating 100 Years of Animal Health

Celebrating 100 years of dedication to protecting the health of animals, the Animal Health Association (AHA) is hosting a special event to commemorate this milestone. The event will feature a keynote address by a distinguished expert, panel discussions on key industry issues, and a networking reception to celebrate AHA's legacy. Join us in celebrating this significant achievement and learn about the future of animal health.

The American Horse Council hosts a Town Hall Meeting to discuss health, welfare, and regulatory issues with participants from around the world. This event is an excellent opportunity to share insights and collaborate on strategies to improve the well-being of horses and the industry as a whole. Whether you are a fellow professional or an interested spectator, you are invited to participate in this important conversation.

4. Transportation Security

American Horse Council International Meeting: Health, Welfare, and Regulatory Issues

The American Horse Council International Meeting focuses on the health, welfare, and regulatory issues facing the horse industry. This event is designed to bring together professionals from various countries to share knowledge, discuss strategies, and develop solutions to common challenges. Whether you are a practicing veterinarian, a horse owner, or a policy maker, this meeting offers valuable insights and networking opportunities.

Former ATA President, Alex Thiemann passes

We are saddened to announce the passing of former ATA President, Alex Thiemann. A dedicated professional, Alex made significant contributions to the animal transportation industry. His legacy will be remembered through his commitment to excellence and his support of the ATA and its mission. Our thoughts are with his family and friends during this difficult time.
