

2019

# YEAR IN REVIEW

The Spring Conference held March 13th - 15th in O'Fallon, IL was presented by ICAN, ILMGMA and HFMA. This conference consisted of a fantastic few days of learning and offered an opportunity for mid and downstate members to attend a conference in their own backyards. Both practice managers from Illinois and Missouri were in attendance.

Our Annual Conference held July 25th & 26th in Naperville consisted of two days filled with educational information and insights on the elusive work-life balance as we learned how to "Play to Win" in the workplace. There were sessions covering a variety of other topics including HR, data, compliance and revenue cycle management.

The Fall Conference held November 15th in Des Plaines was one full day of educational content focused on managing the financial aspects of a medical practice. This included updates from Illinois State Medical Society, Illinois Department of Insurance, a panel with two state legislators, a telehealth presentation and an insurance company panel.

CMPE and FACMPE recipients (shown above) were recognized for their achievements at our 2019 Annual Conference.

## 2019-2020 Board Members:

Congratulations to our  
2019-2020 Slate of Officers:

**President:**

Jo Huskey

**Vice President:**

Renee Glanzman

**Director:**

John Barakat

**Director/Payer Chair:**

Jenny Kovich

**Affiliate Chair:**

Chris Woodside

**Legislative Liaison:**

John McGlasson

**Student Outreach Chair:**

Andrew Digate

## Monthly Webinars

One of the benefits of being a ILMGMA member is our FREE monthly webinars featuring educational, timely topics. Some of the topics of this past year included, "How to Grow your Practice with Facebook," "Patient Engagement and Etiquette" and the "One Hour PhD in Economics."

# MEMBER TIME OUT MEETINGS

MTO meetings provide our members with supplemental face-to-face education in addition to our conferences, monthly live webinars and on-demand webinar library.

MTO meetings are open to all Illinois MGMA members at no cost.

We welcome non-member practice managers, physicians and their guests who are looking for education and want to learn more about Illinois MGMA for a fee of \$30 per person, per meeting.

All MTO meetings include: a light dinner, a presentation by a quality speaker with eligibility for 1.0 ACMPE credit hour and networking time.

Moving forward to 2020, we will be offering MTO meetings 4 times a year in different locations to ensure that they are accessible to more of our membership. We will release dates and locations for the 2020 MTO meetings as they are planned and details are finalized.

**Thank you to all our vendors and sponsors. 2019 would not have been such a successful year without you!**
