

IMPACT REPORT

2021-2022

President's Note

It is a pleasure to serve as your President for the Illinois Medical Group Management Association. In response to the challenges created by the pandemic, 2022 was our year to re-build and re-focus **on increasing the value of your membership**. I am happy to report our efforts exceeded our expectations. Going forward, you will see increased transparency and accountability through data driven initiatives to do even more to support your professional growth and success.
