## **Sponsorship Options**

Some vendors and other companies are not confident that they will be able to travel to Kansas, yet still want to show their support for KLTA and make their presence known to members. Or perhaps, there is just a desire to help support our trade association and no staff to be present. With that being said, the convention committee is opening additional sponsorship options to members and vendors. If you have an interest please let us know and reach out to the office at [exec-sec@klta.org](mailto:exec-sec@klta.org).
