

CANDIDATE FOR BOARD OF DIRECTORS APPLICATION

OPEN POSITIONS:

Director – Sean Kilpatrick

QUALIFICATIONS:

In my current role with Availity, I am accountable for our EDI Gateway and Clearinghouse products. As part of that role I set long term strategy, have P&L accountability and industry oversight. I have spend over 25 years in EDI operations, support and business leadership roles which directly aligns to the Cooperative Exchange mission. As part of my responsibilities for industry engagement and oversight I have previously participated in multiple industry panels, provided testimony to CMS and NCVHS and contributed to workgroups and position papers.

PRIOR SERVICE WITH COOPERATIVE EXCHANGE OR OTHER ASSOCIATIONS:

I currently hold Availity's membership seat with the Cooperative Exchange. I have held that position at various times in the past 20+ years. I currently hold a seat on WEDI's board of directors.

BIOGRAPHY:

Sean Kilpatrick is a Vice President of Product Management at Availity. In this role he serves as the business and product strategy leader for Availity's Intelligent Gateway and Clearinghouse product portfolio. In the past 15 years at Availity, he has held several roles in product management and strategy, serving as a portfolio leader for RCM, Pre-Service and Clinical product suites. Sean also held the role of Director of Product Management for RealMed, a revenue cycle management company acquired by Availity in 2010. Prior to that role he served in several operational, business and technology leadership positions in his 25+ year career in Healthcare IT.

WHY YOU WANT THE POSITION/WHAT IS YOUR VISION

Most of my healthcare career has been directly related to the Cooperative Exchange mission and vision of creating a sustainable healthcare ecosystem by driving meaningful activities and changes to improve administrative efficiency, interoperability and the adoption of healthcare standards. My role at Availity directly support the mission through continual payer, provider and vendor engagement, and thought leadership at various user and industry events.

Sean P. Kilpatrick
