And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another--and all the more as you see the Day approaching.

Revelation

Revelation is given to a church amid persecution. It tells of God's response to what's been done.

Behind Rome and its persecution of Christians you find Satan.

So, what can we take away from Revelation?
We are reminded of who we are in Christ.

We are encouraged to hold on and trust God.

We see our prayers are heard.

EVANGELIZE 2023

LIFE CYCLES OF A CONGREGATION

"Behold, I say to you, lift up your eyes and look at the fields..."
(John 4:35)

Certain factors affect the life cycle of a congregation (F. Tidsworth Jr., *Life Cycles of A New Congregation*, pp. 15-27).

1. The Theological Factor – "...but God gave the increase" (1 Co. 3:6)
2. The Time Factor - "*There is a time for everything*" (Eccl. 3:1)
3. The Group Factor – "*And when he had called his twelve disciples*" (Matt. 10:1)
4. The Size Factor – "*And the Lord added to the church daily...*"
5. Organizational Factors – "...appointed elders in every church" (Acts 14:23)

Older established congregations must also remain vigilant to challenge its members to develop in Christ and spread the gospel to the community
