First and foremost, I hope you all are doing well. I'm so thankful for your support and encouragement as I begin this journey. It is a humbling thought to know such wonderful people are supporting you.

School has officially begun! This quarter we are taking nine classes. I really love them all. I love grammar a little less than the rest of them, but I know it has purpose. Getting adjusted to a lack of sleep has probably been the hardest part so far. It is hard to pick my favorite part, but I have seen the Word of God come alive in ways I have not seen before. His Word is a treasure chest and the riches found in it are beautiful.

It is my prayer that you as the Lord's Church are growing and thriving in the work of the Lord. If I can be of encouragement or assistance in any way, please let me know. I would love to talk with you or answer any questions you may have. I have attached my contacts to this letter. To God be the glory!

In Christian love,
Bryce Mayfield
