Estate Planning Informational Meeting

The Children's Home Foundation invites you to an informational meeting on estate planning featuring a special presentation by Thompson & Associates and their Periscope Path program. Estate Planning is more than just legal documents; it's an opportunity to clarify your values, intentions, and the legacy you want to leave for your family and the causes your care about.

This will be Monday, **January 12** at 6:00 p.m. in the Big Room. Supper will be provided. Please sign up on the sheet on the back table so they know how much food to provide.

During this session you will learn how to:

- Reflect on what truly matters as you plan for the future.
- Create a personalized roadmap that aligns your heart with your estate plans.
- Bring clarity and confidence to decisions about your legacy.
- Understand options that help support loved ones and meaningful causes without pressure.
