

# *My Dear One,*

**I do love you so much! I wish you so many things and forgive you for so many others!**

**Do not think about your sins any longer.**

**From now on, think only about serving Me.**

**And throughout your life, when you have any doubt, remember the sympathy, kindness and good pleasure I am now showing you.**

**Have recourse to Me through My Mother.**

**Through the voice of my Mother, I will always hear you. I will be your refuge and your strength, and these will take you to heaven, to reign at my side for all eternity.**
