

My Dear One,

I do love you so much! I wish you so many things and forgive you for so many others!

Do not think about your sins any longer. From now on, think only about serving Me. And throughout your life, when you have any doubt, remember the sympathy, kindness and good pleasure I am now showing you.

Have recourse to Me through My Mother. Through the voice of my Mother, I will always hear you. I will be your refuge and your strength, and these will take you to heaven, to reign at my side for all eternity.
