

Sacred Leadership

Leadership for those who are ready to lead themselves and light the way for others to follow!

12 Principles of Sacred Leadership

1. I am a powerful creator and so is everyone else.
2. Sacred Leaders live by their vision.
3. Sacred Leaders create from a place of possibility.
4. Every problem comes with its unique solution.
Sacred Leadership is a commitment to redesign so that the solution can become apparent.
5. Sacred Leaders courageously stand in the gap and cause alignment (not agreement).
6. Energy seeks expansion, I allow it to flow through me and expand to be ever bigger space for it.
7. I am an authority in what I stand for, because I am.
8. Sacred Leadership is rooted in generosity and the spirit of service.
9. Sacred Leadership is based on and directed by values.
10. I am a disciple of my work in the world.
11. Every moment is a new moment, unless I bring the past into it.
12. I believe in me. I believe in my work. I believe in the power of my choice about who I am, how I show up and what I create.
