Atomic Flight Golden Gate Flight 5

Travis AFB, CA

2 March, 2017

Flight Captain's Corner:

This month's meeting will be held on 9 Mar 2017 at the Delta Breeze Officer's Club. We will be accompanied by retired Commander Timothy Pinkney, EA-6B pilot and former Commander of VAQ-309. He will be briefing us on USN aircraft carrier operations and his experiences during the rescue and transport of nearly 7,000 evacuees after the fall of Saigon in 1975. Our next meeting will be held on 13 Apr 2017. Please make sure you RSVP so we have the right amount of food (Cost is \$15.00 at the door). If you have any questions or issues with the Apollo online system just call Jasmine Simms as Popeye will be deployed over the next 6 months, or email travisdaedalians@outlook.com and we will help you figure it out or manually enter your RSVP.

ROTC awards:

Daedalians Flight 5 awards one \$2,500.00 scholarship annually to a graduating student of any Solano high school. Please consider making yourselves available to present this scholarship when a winner is selected. Mr. Earl Heal is Flight 5's Scholarship POC.

Golf Tournament.

We will be looking into holding another golf tournament this year. Specifics are still in the works and we will be looking for volunteers soon.

Scholarship Interviews.

We are looking for two members to sit on an interview board to help us pick our scholarship recipients. The board will be held on 12 Apr in Fairfield. If you can help us out please contact Jasmine Simms ASAP.

Scholarship Flights.

We are currently looking for someone with access to an aircraft (preferably aerobatic) to assist us with our scholarship flights. Please contact Popeye with any leads.
