Captain's Corner:

Gator Flight,
 Pete Candelario has pulled some strings and has gotten the 41st RQS to host the next Flight Meeting. Our host will be Captain "Tucc" Tucciarone who has offered to provide a fresh keg. How can we say no? After a few drinks and some sammiches the 41st RQS will brief us on the HH60G Pave Hawk capabilities and missions. I'll go over some notes from the October Daedalians Conference in San Diego. I couldn't make it, but I know somebody who did. Col. "Woody" Oaks has been approved by National and we will induct him into Gator Flight if he is available.

Based on input from the last meeting I'd like to keep the formal portion of the meeting as short as possible to allow time for all who are interested to return to the bar for war stories. Remember though, at least 10% of what you say must be true. Remember, if you have a party suit and can still fit into it--wear it. If you are too "fluffy" to fit into your suit, bring it anyway so we can admire it and submit appropriate comments. Maybe we can have a contest for best party suit—or not... Come on out and bring along an eligible member. See ya there...
 "MO" Hairr
 Flight Captain

Flight NOTAMS: \$15 Dues for the calendar year 2013 will gladly be accepted by the treasurer.

Regarding attendance, please be advised that the "usual penalty applies for no shows". A refresher on what that means: In the good old days we paid for the number of meals eaten. These days we have to pay for the number of meals contracted for. If a member no shows, the flight still has to pay for that meal. Therefore, we must ask you to pay for meals when you are a no show.
