## Atomic Flight Golden Gate Flight 5

### Travis AFB, CA

6 April, 2016

#### **Flight Captain's Corner:**

In March we had Mr. Paul Raveling a retired software engineer and a glider pilot with a long-time special interest in history of the X-15 rocket-powered research aircraft join us to discuss X-15 world altitude record flight. It was an amazing presentation with tons of great insight into the X-15 and its multiple world records. For April we will not be having a speaker but we will be conducting ELECTIONS and finalizing our plans for the golf tournament on 13 May. Please make sure you RSVP so we have the right amount of food. If you have any questions or issues with the Apollo online system just call Popeye or email [travisdaedalians@outlook.com](mailto:travisdaedalians@outlook.com) and we will help you figure it out or manually enter your RSVP.

#### **ROTC awards:**

We are in need of two of our uniformed members to help give awards at Fairfield High School and Jesse Bethel High School in East Vallejo on 14 April as well as Heritage High School in Brentwood CA on 28 April. If you are willing to help with any of these presentations please contact Popeye ASAP.

#### **Golf Tournament.**

We have scheduled our Golf Tournament for 13 May 2016 and are looking for teams as well as volunteers to help run the event. This is one of our only fundraisers and the more we raise the more scholarships we can give. If you would like to help or play please sign up at the meeting or contact Popeye.

#### **Scholarship Interviews.**

We are looking for two members to sit on an interview board to help us pick our scholarship recipients. The board will be held on 12 Apr in Fairfield. If you can help us out please contact Popeye ASAP.

#### **Scholarship Flights.**

We are currently looking for someone with access to an aircraft (preferably aerobatic) to assist us with our scholarship flights. Please contact Popeye with any leads.

#### **Dues Announcement.**

Over the last few years Dues have not been collected, but we are resurrecting the program to help fund our scholarships and other events. Dues will be \$10 a year and will cover September to September. Watch Apollo for a reminder. You can pay by check or cash, both at meetings and by mail.

**Our new address is: 611 E Street Bldg 50  
Travis AFB CA 94535**

#### **ELECTIONS!**

We have several key flight positions that need to be filled ASAP and will be holding elections at our April meeting. We have gotten very few responses to our call for nominations, so please consider serving yourself or nominating someone else who you think will help our organization. Send any nominations to [travisdaedalians@outlook.com](mailto:travisdaedalians@outlook.com)
