I'm the manager who drew Izuru on the shop banner for the Hololive Production CardChoco.

I don't know any VTubers at all, but I drew Kanade Izuru from one of the cards because he was super cute!

There are still some left, so if you like them, please pick one up!

Here's a poem

It's too cold  
The futon is so warm  
I'm starving

**岸堂天真🐦@ホロスターズ2期生**  
 @kishidotemma

一見季語がないように見えるが布団という言葉が近年だと冬の季語として扱われている。寒すぎてというのは外気もそうだがエアコンのリモコンを無くして暖房がつけられずに部屋そのものが寒いことを連想させる。この状況で腹が減ったとあればUberで昼飯を注文するか否かの葛藤も表現した名句である。

3:20 PM · Jan 21, 2021 · Twitter for iPhone

At first glance, it seems like a non-seasonal poem, but notice the word 'futon' indicating it's winter. 'too cold' can mean the weather, but in this case it means the coldness of the room due to the remote for the air conditioner missing and the inability to crank the heat up. The last line expresses the struggle of deciding whether or not the author should order an UberEats.

Here's a poem

I got back home  
I threw my bike lock key  
Wait it's gone

**岸堂天真🐦@ホロスターズ2期生**  
 @kishidotemma

季語が一見ないように見えるが「鍵投げ」が師走の忙しい様子を表した冬の季語に使われることがある。寒さ+多忙の中、鍵を置くという作業を省略するために投げて時短を狙うも、結果なくなり余計に仕事が増えてしまう現代人が陥りがちなミスを的確にまとめ仕上げた名句である。分析に5時間かかりました。

9:26 PM · Jan 21, 2021 · Twitter for iPhone

At first glance, it seems like a non-seasonal poem, but notice the phrase 'throwing the keys' indicating it's a winter, and it's busy; a cold and busy city, in which the author threw the bike lock keys and lost it. This also results in him having to do more work to get the bike lock key back, a mistake the newer generations tend to make. This took me 5 hours to analyse.

**岸堂天真🐦@ホロスターズ2期生**  
 @kishidotemma

この俳句には季語がない。故に全季に対応した無季の句と判断できる。あえて全文平仮名表記にすることで、このはなきしという人物の可愛らしさも表現している。最後の「つきあってる」が1字余りなのは一見マイナスだが、このカップルが未来永劫続いて欲しいという祈りからくる字余り、名句である。

1:43 PM · Jan 22, 2021 · Twitter for iPhone

There aren't any words indicating season in this poem, so this is a non-seasonal haiku poem. The author deliberately chose to write the entire thing in hiragana, to show how cute 'HanaKishi' is. There's one extra on (syllable) in the last line which breaks the pattern a little, but the hidden meaning is that the poem hasn't ended yet, and the relationship will continue forever.

If you're wondering what a haiku is or how it works, I suggest a read through at [https://www.tofugu.com/japan/haiku/!](https://www.tofugu.com/japan/haiku/)
