(2020) volledige film België Versie Film is a Hero Fiennes Tiffin, who plays Hardin Scott in Demon Slayer:

Kimetsu no Yaiba - The Movie: Mugen Train, wants a happy ending for Hessa, the relationship portmanteau of Hardin and Tessa (played by Josephine Langford). I hope Hardin and Tessa get to run

across a rainbow and clouds of fluffy pink amazingness and everything goes great, 22-year-old Hero

tells Teen Vogue. But that wouldn't make a very entertaining story, so I'm sure there will be some bumps in the road. Bumps in the road is putting it mildly. The second film in the series was released

in the U.S. on October 23, and it picks up where the last one left off. Hessa are broken up after Tessa

discovers that their love story from the first movie was largely based on a bet Hardin made to break her

heart. The second movie is tumultuous as the pair decide where to go from here, and what emotional

turmoil (and childhood trauma) they need to work through if they're ever going to get anywhere close

to a happy ending. Hero and his costars are currently filming two more movies in the series, After We

Fell and After Ever Happy, which are adapted from Anna Todd's YA novel series of the same name. Teen

Vogue spoke to Hero over Zoom to hear all about Demon Slayer: Kimetsu no Yaiba - The Movie: Mugen

Train, working with Dylan Sprouse, and why the After fandom is so special. Teen Vogue: What do you

think it is about this story that is so fun for fans to see on screen? Hero Fiennes-Tiffin: I think the evolution of their relationship. We obviously ended it at a point where we had a lot more of the story to

tell. That was clearly a first chapter of their relationship. To be able to explore further whether they can

make it work and how they're going to overcome those obstacles was fun to portray, and I hope the

fans find it fun to watch. TV: What did you think about the addition of Trevor and how Dylan Sprouse

played that character? HFT: Oh I loved it. I could sing Dylan's praises for a while. He's hilarious,

hes

super professional, hes done it before. He brings a level of calmness because of professional and experienced he is. I was lucky to have met him before, so it was like a friend coming to work on set,

which is just super rare and super lucky. As a character, to add that kind of love triangle dynamic to it, is

super entertaining for the fans to watch as well. So for every reason, loved having Dylan there.

TV: Do

you think the fans will pick their side of the love triangle when they see the movie? HFT: I hope so.

Obviously, Im biased, Im Team Hardin all the way. But when you step back and look at it from an

entertainment perspective, you want conflict, you want debate, you want people to walk out and say, I

think this, I think that. It evokes conversation. Only good things come of it. TV: How do you think Tessa

and Hardins relationship evolves in the second movie? Where do you think its going? HFT:

Theyre both

trying to make it work against the odds. Its almost like everything is set up against them but they have a

never say die attitude to really trying to make it work. And I think thats what makes it such a compelling watch, is the fact that they both try so hard and refuse to give up on it. HFT: I think its

always tough to like you cant judge your character. You have to find a way, even if youre playing an

evil character like a James Bond villain or something, you somehow have to find a way to get into their

shoes and their mindset and get behind all of those aspects. Its definitely tough and challenging at

times, but I think we just remember this is entertainment, not a rule book for how you should behave in

life. I think people should take aspects they wanna take but also take notes for the stuff they dont want,

and learn to not behave like that equally. TV: At the end of the movie, we see Hardin confronting his

demons, trying not to drink so much, for example. Do you think hes actually learning to process things

more healthily? HFT: I think so. I think so. Its not as simple as one step forward, two steps back or

anything. It could be a number of steps forward and then all the way back, and thats real life. Thats

how things are. I think whats nice about it is its realistic in that sense, but hopefully all of the audience

really want to see him self-improve. The best thing about their relationship is to Hardin, Tessa is the

main motivation for him trying to better himself. Thats what makes the relationship so

compelling. TV:

How has working on these movies shaped the kinds of projects you want to do next? Do you think you'd

do another very fandom-oriented project? HFT: Definitely down the line. I would never say I'm

never going to do anything. But I do find any role or any job I take, I automatically want to do something very

different after. So I don't think I'd go into something similar immediately, and I think the After fans are

so amazing, they've given such great opportunities from it. I don't feel the need to do anything too similar immediately because this is our thing. Definitely down the line, I'd be open to it, but for now

After is my focus and right now I don't feel the need to run off and do anything else similar but different.

TV: Has being part of these movies changed the way you think about fanfiction? Had you read any fanfic

growing up? HFT: No, actually I hadn't. And I guess I just had no idea how big of a thing it was. It brings

people together in a way that I guess normal stories don't really, because of the way fans can converse

about it. You get so many After fans who have made friends because of their love for After. I think

fanfiction is unique in that way, and After specifically, that's rare and very special. TV: So, do you think

differently about yoga after filming certain scenes in Demon Slayer: Kimetsu no Yaiba - The Movie:

Mugen Train? HFT: (Laughs) I think yoga, generally, is very different to how it is [in the movie]. So I still

think of yoga as an isolated, separate thing to how it is in that scene
