Although it's an immensely popular game, it doesn't mean it there aren't dangers lurking around the corner of ROBLOX, which is why we're going to explore the potential risks and how to protect your kids from them.

The Had to do it to TMem guy has a long (if now tarnished) history as a long-loved meme. And plenty of fans have recreated the iconic, all-pink clad dude like The Sims version on the right in the photo.

Some of the best ROBLOX games take players to new worlds and allow them to exercise their creativity. ROBLOX has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While ROBLOX itself is free-to-play, and many games don't require players to use real-world currency or the in-game ROBUX, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.

Curious as to what ROBLOX gift cards and ROBUX deals are? They're a bit like store vouchers to be used in the ROBLOX game - only instead of physical items, you're able to spend them on additional in-game content or character customisation. As such, getting a card as a gift allows the recipient to grab that cosmetic avatar item they've always wanted but could never afford.

This sounds great, but how exactly do you get free ROBUX to make the games more enjoyable?
