However, the system doesn't seem to verify your ROBLOX account, as it tends to proceed with the claim and activation process even with a non-existent ROBLOX username. This means that regardless of what you type in, the website actually manages to find and identify that username and encourages the user to complete the activation process for a ROBLOX account that doesn't even exist.

A game called 'Fishing Simulator' by Cloud Entertainment allows you to enter referral codes for gems, which is a huge bonus for players. This code gives you 150 gems, but they generally range from 20 gems to 500 gems. These can be used to purchase new items in this game, so in a sense, the codes will be giving you free in-game items but it just allows you to choose what it is.
