What is ROBUX & How it Works?

Similar to modded versions of Among Us, Murder Mystery 2 by Nikilis gives players randomly assigned roles. One player is the murderer trying to kill everyone to win. One player is the sheriff, whose goal is to protect the survivors and kill the murderer to win. All other players are survivors who must try to avoid the murderer. Because only the sheriff and murderer are armed, all other players are forced to flee to survive.

To encourage this community creativity, ROBLOX allows players to place microtransactions, which use the ROBUX currency, in their games. When a player buys something in a creator's game, that creator gets ROBUX added to their own account as well.

But, there are sites on the web that ask for human verification, surveys and other offers that need to be completed before giving you the actual ROBUX.

ROBLOX is a free platform and you can play it on PC, smartphones, and game consoles. According to ROBLOX, there are 150 million active users each month, with millions of people playing at any given time.
