We TMve been hearing from our educator community that it TMs simply not enough to have occasional conversations about safety and digital civility and that they TMd greatly benefit from a structured curriculum and project-based learning as the new school year begins and kids are spending more and more time learning and interacting with one another online, said Laura Higgins, Director of Community Safety and Digital Civility at ROBLOX. The curriculum launching today is designed to provide both educators and students with a self-paced, topic-specific narrative that will help build a generation of resilient digital citizens and ensure kids and teens have positive and safe online experiences.

Players have taken to expressing their frustrations creatively via meme format. The nonchalance of the original meme gets ROBLOX-ified very well (even if the reason why stinks).

SAN MATEO, Calif.--(BUSINESS WIRE)--ROBLOX, a global online platform bringing more than 150 million people together through play, announced today the launch of its free curriculum on Digital Civility to foster positive, safe, and productive online experiences and discussions among students. The curriculum also includes a new ROBLOX game called Digital Safety Scavenger Hunt, which teaches users how to spot unreliable information and stay safe online. Both resources are designed to be used in conjunction and are meant to engage kids and teens who are going back to online learning this fall.
