What is ROBUX & How it Works?

SAN MATEO, Calif.--(BUSINESS WIRE)--ROBLOX, a global online platform bringing more than 150 million people together through play, announced today the launch of its free curriculum on Digital Civility to foster positive, safe, and productive online experiences and discussions among students. The curriculum also includes a new ROBLOX game called Digital Safety Scavenger Hunt, which teaches users how to spot unreliable information and stay safe online. Both resources are designed to be used in conjunction and are meant to engage kids and teens who are going back to online learning this fall.

The chat system in ROBLOX is monitored and will delete words from your chat that they deem to be inappropriate. This includes anything that might not be appropriate for a younger audience such as alcohol, swear words, and other explicit terms.

Over the past year, ROBLOX has reached more than one million students worldwide through its education initiatives including camps, coding challenges, and school curriculum resources. In March 2020, ROBLOX released educational tools through the Teaching Remotely Initiative to aid in remote teaching and learning. In June 2020, ROBLOX launched its semi-annual coding challenge Build It, Play It, (formerly known as the Creator Challenge ), which was the company 's most successful event to date with over 7 million game visits and more than 210,000 games published. With today 's announcement, the company continues to deliver resources to students and teachers designed to complement continued remote learning or hybrid learning models this fall.
