ROBLOX is one of the more unique and interesting free to play games currently on the market. This is largely down to the fact that unlike many of its competitors, ROBLOX actually gates off choice content behind a paywall.

ROBLOX has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While ROBLOX itself is free-to-play, and many games don't require players to use real-world currency or the in-game ROBUX, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.
