Originally, the currency system in the game was named ROBLOX Points but this system was replaced with the ROBUX system back in 2007. As time went on, ROBUX and Tix, an older currency system, were the only ways to purchase items in the game. Now, Tix has been filtered out to have ROBUX be the only method of money in the game. Using this item, players can purchase items from within the avatar shop or buy game-passes and user-generated content. In addition, it is a fairly new website and carries a .xyz <sup>TM</sup> domain, which is common among many scam websites. And while you may still manage to get some free ROBUX at the end, it is better that you stay away from such websites as there is always a possibility of getting some malware or viruses injected into your system by following the untrusted links.
