ROBLOX has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While ROBLOX itself is free-to-play, and many games don't require players to use real-world currency or the in-game ROBUX, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.
