We've been hearing from our educator community that it's simply not enough to have occasional conversations about safety and digital civility and

that they <sup>TM</sup>d greatly benefit from a structured curriculum and project-based learning as the new school year begins and kids are spending more and more time learning and interacting with one another online, said Laura Higgins, Director of Community Safety and Digital Civility at ROBLOX. The curriculum launching today is designed to provide both educators and students with a self-paced, topic-specific narrative that will help build a generation of resilient digital citizens and ensure kids and teens have positive and safe online experiences.
