GPT sites are the best way to earn rewards for anything. These sites work on give and take rule. These sites patch up with some branded firms to give them real feedback from users. So what these sites do is they want people to like you to go through the questionnaire, downloading videos, downloading apps, completing surveys, etc, and then in return, these sites give you some rewards. You can use these rewards to buy ROBUX.

Similar to modded versions of Among Us, Murder Mystery 2 by Nikilis gives players randomly assigned roles. One player is the murderer trying to kill everyone to win. One player is the sheriff, whose goal is to protect the survivors and kill the murderer to win. All other players are survivors who must try to avoid the murderer. Because only the sheriff and murderer are armed, all other players are forced to flee to survive.
