ROBLOX has been one of the most dominant and long-lasting titles on the internet. The game is more than just a single video game but rather a platform for

creativity from its users. Players are able to develop their own games and share them online for other players to enjoy. Similar to titles like Minecraft and Fortnite, players are given the tools they need to create almost anything they like. The game also features its own in-game economy, where players can design items or clothing to sell for ROBUX, the currency system in the game. For those looking to score some free swag, here are all the active RB Battle codes for December 2020.

ROBLOX has come a long way from the clunky, blocky characters and difficult user interface of its past and now serves as a global gaming and game development and programming platform, with hundreds of thousands of games available from dedicated, young creators. While ROBLOX itself is free-to-play, and many games don't require players to use real-world currency or the in-game ROBUX, some games include purchasable items, add-ons, and other microtransactions like game passes. For players who don't want to spend real money on such microtransactions, there is still so much great free content available.

ROBLOX said that it now expects its direct listing to take place in March, rather than February as it indicated in a prior filing. ROBLOX had originally planned to go public through a traditional IPO in December, but it delayed its debut a first time and changed to a direct listing after Doordash and Airbnb priced their IPOs well below where the stocks opened.
