RB Battles are here with a season 2 event in ROBLOX. This guide will help players collect all of the active Resource Codes for December 2020. The RB Battles have existed since May 2020 and allow players to participate in a variety of mini-games against one another. Players are allowed to show their dominance by completing game modes like Ball Boop, Floopy Bird, Tiles, and Puzzle Peril. Upon completing these challenges and emerging victorious, the player will be rewarded (and earn some bragging rights). The game is currently offering new codes for the month of December to claim to celebrate the RB Battles. This guide will provide all of the active codes for the month of December.

Another popular ROBLOX game, Theme Park Tycoon 2, takes a page from Rollercoaster Tycoon and Planet Coaster, allowing players to build and manage their own theme park. Players can construct rollercoasters and manage their park with friends. Developed by Den\_S, the game encourages socializing, cooperation, and making compromises. Once the park is built, players can invite other tycoons from the same server to hang out, ride the coasters, and even build their own attraction there.

When it comes to the world of ROBLOX, so many people are playing, but there is also so much going on. ROBLOX, for a start, is a platform full of games. Users can create games within the Studio, which are then published onto the platform. This means that there are tons and tons of games, many of which are in active development, that all can be played on. These games work on PC, phones, tablets and Xbox One, giving players a lot of options in the way they play.

To encourage this community creativity, ROBLOX allows players to place microtransactions, which use the ROBUX currency, in their games. When a player buys something in a creator's game, that creator gets ROBUX added to their own account as well.

Typically players have to pay real money in order to get ROBUX. It used to be possible to get game passes and promo codes from shady websites, but that isn't <sup>TM</sup> a working solution anymore.
