Revenue through September jumped 70% from a year earlier to \$613.9 million, the company said. In its prior prospectus in mid-January, ROBLOX said revenue over that stretch climbed 68% to \$588.7 million. Its revised net loss for the period was \$194.5 million, down from \$213.3 million as reported before.

When you visit the website, you will be asked your ROBLOX account details to claim a promo code. However, the system doesn't seem to verify your ROBLOX account, as it tends to proceed with the claim and activation process even with a non-existent ROBLOX username. This means that regardless of what you type in, the website actually manages to find and identify that username and encourages the user to complete the activation process for a ROBLOX account that doesn't even exist.
